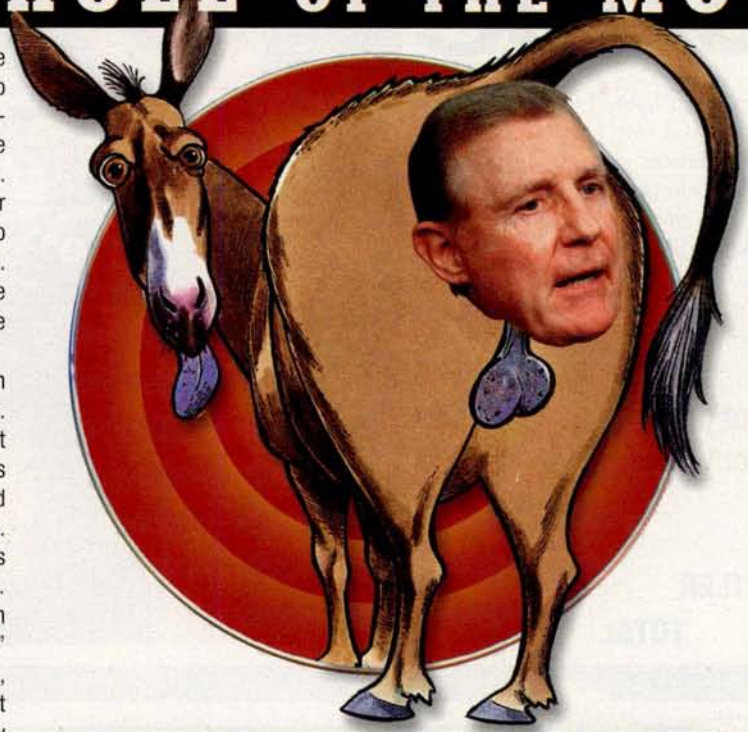
Bits & Pieces

ASSHOLE OF THE MONTH



DAN BURTON

No holiday gathering is complete without the family idiot who makes his hosts regret their invitation. The lunatic farts loudly at the dinner table and blames the kids. He upbraids cherished friends for imagined shortcomings, oblivious to the piss dribbling down his own leg. Later, he'll steal all the good booze and slip away to finger-bang the family dog.

For Representative Dan Burton (R-Indiana), every day is Christmas. As Chairman of the Government Reform Committee, this poisonous blowhard makes hypocrisy and hatred the gifts that keep on giving. Consequently, Burton is HUSTLER's Holiday 2001 Asshole of the Month.

The 63-year-old Burton has been derided as "something of a flake" among his Congressional peers, maybe because he proposed that every American undergo mandatory AIDS testing and suggested that Iraq be nuked. Burton became a nationally known jackass in 1993, when he pumped a bullet into a watermelon. In Dimwit Dan's feverish imagination, shooting a big fruit somehow proved that the suicide of Bill Clinton's White House aide Vince Foster was actually a murder.

Burton is a self-proclaimed foe of "wasteful federal spending," a phrase that aptly describes his obsessive, costly hectoring of the Clinton White House. Burton's fruitless 1995 investigation of a fan club for Clinton's cat Socks is only one absurd extremity of the crackpot's taxpayer-financed malice.

Burton claimed to be impartial while heading a probe of Clinton's 1996 Presidential fund-raising. "We're not going on any witch hunts," Dan mewled. "I'm going to try to be as fair as possible." The Congressman promptly revealed his grasp of "fair" to the *Indianapolis Star*. "This guy [Clinton is] a scumbag. That's why I'm after him."

Shortly after the "scumbag" impartiality, Burton leaked transcripts of compromising phone conversations between former Hillary Clinton co-worker Webster Hubbell and his wife. The questionable disclosure was further tainted by Burton's selective editing of passages that seemed to clear Hillary of involvement with the couple. Even rabid-right pit bull Newt Gingrich was moved to tell Burton, "I'm embarrassed for you."

Burton's abuse of power is overshadowed only by his moral double standards. A family-values crusader, Burton blustered of Clinton's carnal bloopers, "No one...should be allowed to get away with these alleged sexual improprieties."

Burton's acquaintances paint the married Congressman as a serial adulterer who "likes to get out there and see sin up close." Burton's sexual misdeeds include fathering a bastard son, an accomplishment he reluctantly copped to when an impending magazine exposé made the revelation inevitable. To avoid taking full responsibility for his misplaced semen, Burton hinted at a conspiracy between the article's author and Clinton agents, collusion that occurred only in the hollowed halls of Burton's cranium.

"I have been as straight as an arrow in my public duty," Burton crookedly proclaims. Despite the protestation of his Committee cohorts, Burton has refused to look into seeming ethical breaches in the Bush Administration. Instead of addressing real-world problems, the chairman crusades to oust Clinton from a position he hasn't held in nearly a year. Burton's latest phantom battle is against Bubba's last-minute pardons. Shady as Clinton's actions may appear, the President's power to grant reprieves is absolute, and the Committee holds no legal sway over private citizens, such as Bill is now. As usual, Dan is undaunted by reality.

"This is something that needs to be looked at very thoroughly," crows Burton, vowing to squander public funds on an innately futile act of political grandstanding.

With reliable sleaziness, Burton leaked transcripts from phone calls between Clinton and then-Israeli Prime Minister Ehud Barak, in which the heads of state briefly discuss the pardon of Marc Rich. Predictably, the only improprieties revealed are Burton's own.

"I never worry about [the numbers]," Dan huffs when confronted about the mountain of subpoenas he's issued in his quest to nail Clinton. Burton should glance at his success rate, which remains at zero. But dreary old Dan's not a complete failure; as a first-rate Asshole, he'll always top our shit list.

FARTS IN THE WIND

Don Davis: North Carolina state legislator Davis forwarded an e-mail to every member of the state House and Senate that declared, "Two things made this country great: White men and Christianity.... Every problem that has arrisen [*sic*] can be directly traced back to our departure from God's Law and the disenfranchisement of White men." "There's a lot of it that's truth," Davis candidly opined when first questioned. After controversy ensued, Davis backpedaled, saying he'd only wanted "to show the type of messages that come across the Internet." Davis's primary message is that some white men make great Assholes.

Robert Courtney: Currently awaiting trial for diluting cancer medication he dispensed to doctors since November 2000, pharmacist Courtney reportedly told investigators that he'd cut the drug dosages "out of greed," confirming that he is pure Asshole.

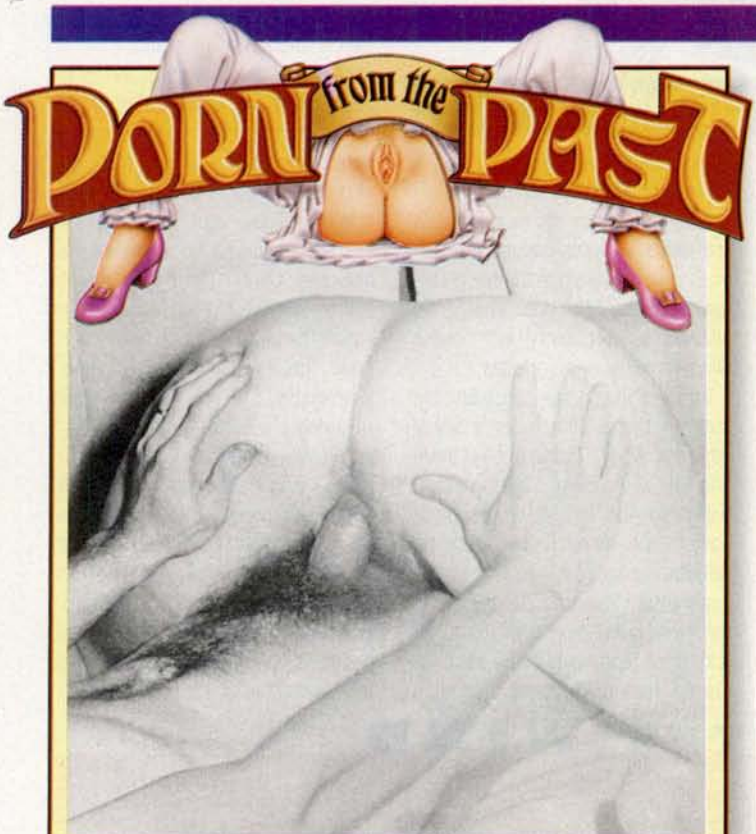
How to Blow Dubya's Tax Wad

Here Comes the Bribe

Dear Taxpayer:

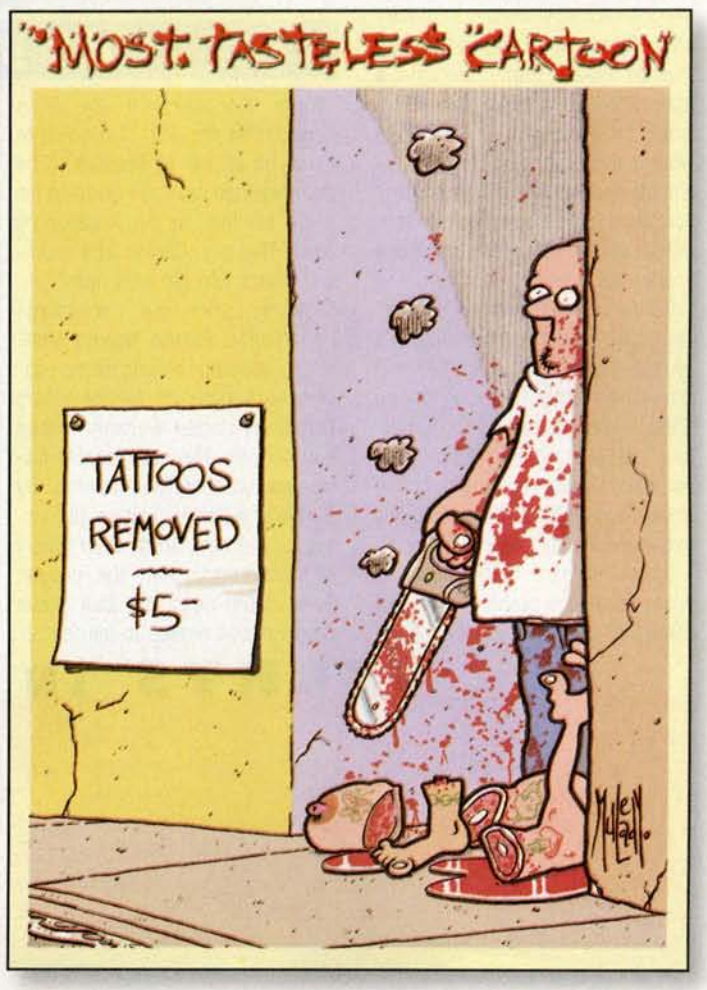
We are pleased to inform you that the United States Congress and President George W. Bush signed into law the Economic Growth and Tax Relief Reconciliation Act of 2001. Don't worry that the budget surplus is dwindling, or that Medicare is about to flatline. Before Grandpa moves in to sleep on your couch, take your $300 and party like it's 1989. Since you became accustomed to having your decisions made for you during the last election, young George has worked out the following spending plan for you.

1.	A bottle of whiskey	**$20**
2.	One month's worth of gas	**$150**
3.	Blowjob from a street whore	**$50**
4.	Vibrating egg	**$18.50**
5.	HUSTLER XXX video	**$21.55**
6.	Subscription to HUSTLER	**$39.95**
	TOTAL	**$300.00**



Long before Moon Over My Hammy became a popular dish at Denny's, sexual gourmands smoked their pork between two toasty buns.

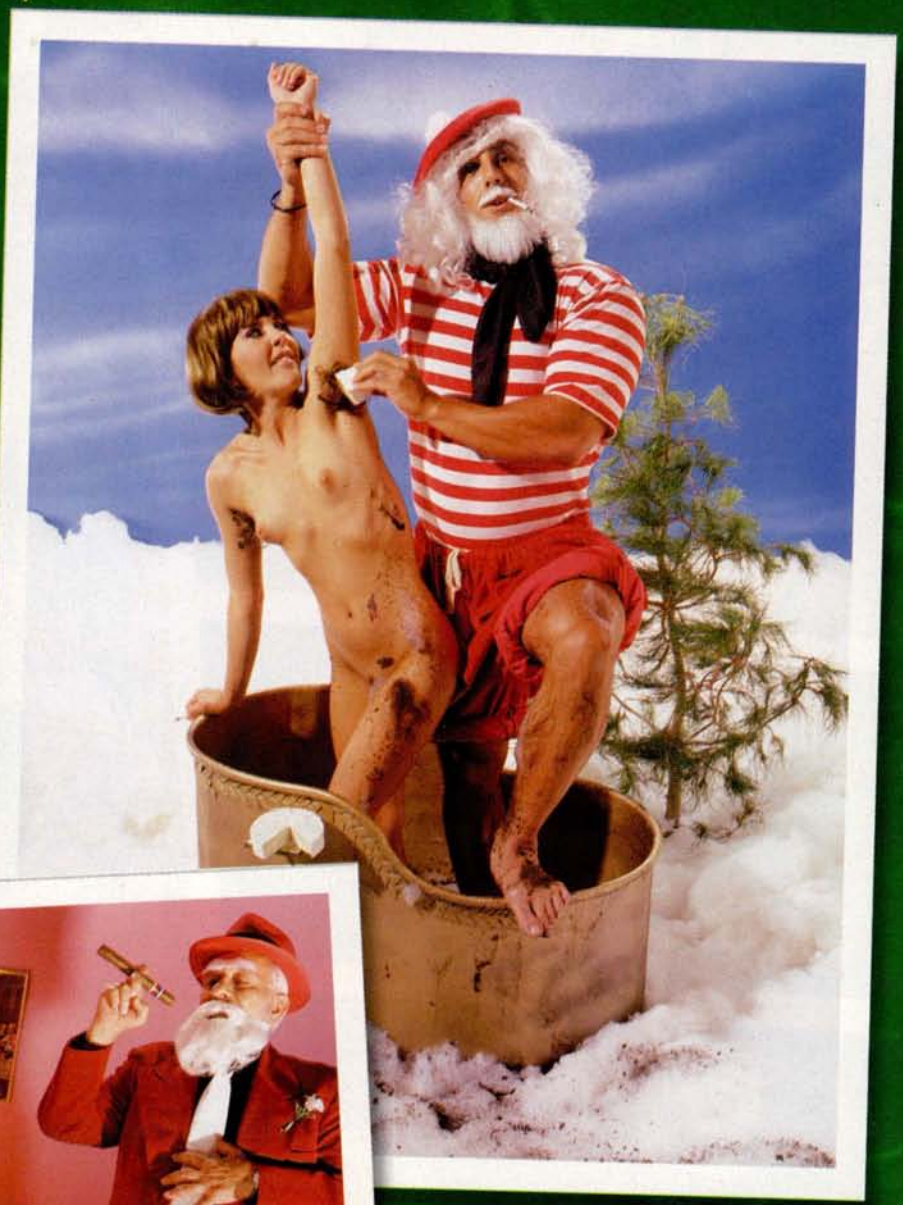
W. B. S., of Wilmington, California, pockets $150 for this cheeky look back. Send your smut of yesteryear to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.



Around the World With Santa

Claus-Cultural Studies

In America, we accept the legend of Santa Claus, but some foreign cultures embrace alternative versions of the Saint Nick myth. Here are a few notable examples:

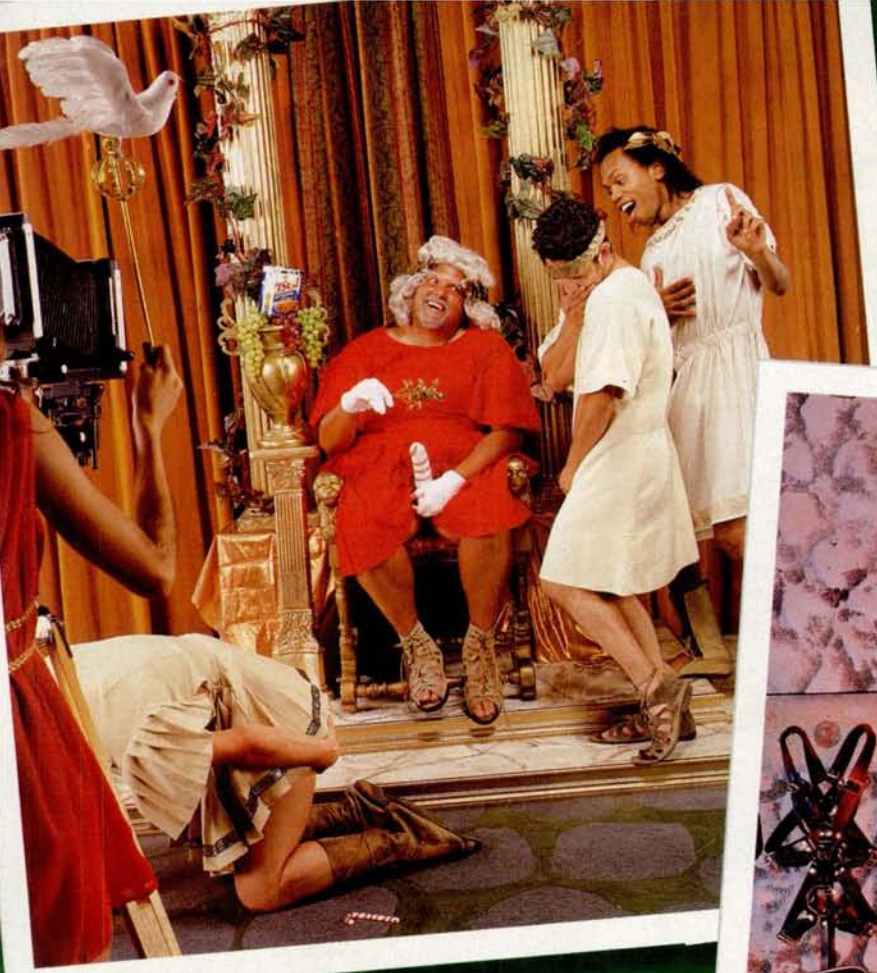


France

Once a year, on Christmas morning, **Saint Fromage** prances from house to house, bathing the country's women. The night before, Frenchmen traditionally replace the soap with a small cheese. Or so they claim.

Sicily

In the dead of night, **Santa Corleone** sends a strong message to all of the bad bambinas and bambinos.

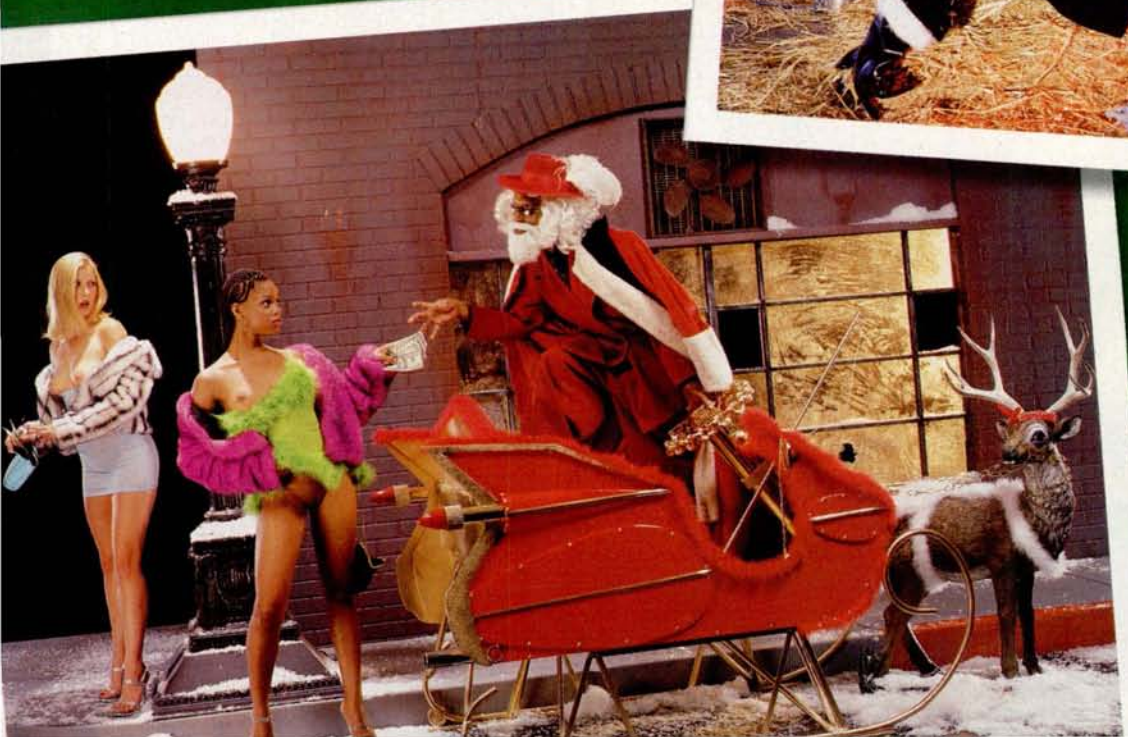


Greece

In an inversion of the American tradition, the young men of Greece take turns sitting on the lap of **Krisco Kringle**, offering their innocence as a gift to the jolly old bugger.

Germany

In Germany, **S. S. Nick** travels with an assistant, **Strict Helga**, who disciplines bad children and consenting adults.



The 'Hood

This old-Yule brotha ain't no saint. On the 12 nights of XXX-mas, **Pimp Daddy Claws** rolls out his Caddy sleigh—led by his trusty **Rein-Diddy**—from ho to ho, collecting each bitch's dough.

Israel

The Israeli Santa, **Shecky Klausenthal**, bestows a Christmas gift guaranteed to lift the spirits of his Arab neighbors.

Scotland

Scotland's **Fat Angus** is a cheap, old sod. The stingy bugger brings all the wee lads and lassies a slop of cold porridge, and demands his bowl be cleaned and returned on Christmas morning.

Holland

When Holland's **Scanti Klääd** opens her flue, hold out your hands! She dispenses the traditional Netherlands Yuletide gifts, hashish and morning-after abortion pills, from her tidy, Dutch ditch.

Readers: Choose Your Cooze

HUSTLER's 2001 *Beaver Hunt* Grand Prize Finalists

The cream of HUSTLER's *Beaver Hunt* crop is ripe for picking, but only one neighborhood flasher can be chosen most fuckable for 2001. As the home of the world's preeminent democratic erotic-amateur contest, America's Magazine asks the readers to select which of the year's next-door nudists will take top honors. The winner will travel to a glamour capital for an extensive photo-shoot and pocket *Beaver Hunt*'s $5,000 Grand Prize.

Vote for One

☐ Sashia

(Beaver Hunt Finalist #1, "First in Her Class," April 2001)

Exotic dancing pays for Sashia's college tuition, though the scholarly Georgia peach confesses that sex remains her favorite subject. A 27-year-old native of Atlanta, Sashia wants the Grand Prize so she can finish school. The blond dancer/academic needs your vote to win HUSTLER's $5,000 grant.

☐ Victoria

(Beaver Hunt Finalist #2, "Magic Fingers," May 2001)

A massage therapist from Gentry, Arkansas, 23-year-old Victoria manipulated the deep tissues of her blue-ribbon folds, relieving the aching loins of HUSTLER readers in the process. Want to return the favor? $5,000 would no doubt rub Victoria the right way.

☐ Essence

(Beaver Hunt Finalist #3, "Third Baste," August 2001)

August's layout of this 24-year-old Huntsville, Alabama, native presented an appetizing dish of buttery booty and tender twat. Do you find this Essence rare enough to warrant the $5,000 Grand Prize?

☐ Sky

(Beaver Hunt Finalist #4, "Four Skin," November 2001)

Sweet and sticky Sky would love to lick the competition. An ambitious 19-year-old from Portland, Oregon, Sky hopes to own a record label, "be a movie star" and sexually please "two boys at once." Vote for Sky and jump-start the dreams of this toothsome tart.

Gauge's Spray

In the November 2001 HUSTLER you featured the porn star Gauge doing what she does best: spraying her sweet nectar all over the place (Gauge and Lee: Quim Before the Storm). Please let her know that I adore her cute body, and would love to have her piss all over my face. Where else can I see this babe squirting pee from her delicious hole? —M. T.
Shrewsbury, Pennsylvania

This very issue is chock-full of your favorite Honey. That's Gauge blowing Santa in our B&J ad parody. The bizarre story behind that shoot can be found in *Erotic Entertainment* ("Mother Loves Bone" on page 42). If you wanna see Gauge tinkle, the *BARELY LEGAL #5* video or DVD is your best bet. Call (877) 325-6464 to order.

A Poon-full of Sugar

I've been reading HUSTLER for quite some time. You guys publish the best porn magazine in the world. Everything from Bits & Pieces to Dear Slut is awesome. When I bought the October 2001 issue and saw Kayti Edwards with her tits hanging out (Kayti Edwards: Mary Poppins's Wild Grandchild), I craved more of her fine bod. I wasn't disappointed for a minute. You gave me plenty to drool over, and the article was great as well. Kayti can be my nurse any fucking time. —J. S.
Leighton, Alabama

A Problem Like Trisha

Trisha may look like a total bitch, but I wouldn't kick her out of bed (Trisha: Beached Bitch, October 2001 HUSTLER). I'd save up and blow a load in every one of that dirty blonde's fuckholes. That would shut her up. —F. N.
via Internet

Instant Hard-on

The October 2001 HUSTLER is your best yet. What a cover! I couldn't tear my eyes away from the crevice created when those two hotties smooshed their shaved crotches together. Their layout inside didn't disappoint either (Jacynda and Swan: Cooze Crazy). HUSTLER gave me a boner at first glance. —D. B.
Atlanta, Georgia

Pussy Loves Beaver

I'm a chick who loves checking out Beaver Hunt. I'm really into girls, especially tanned, busty babes such as Erin from Commerce, Oklahoma (October 2001 HUSTLER). Keep running hot, local ladies in your pages and this bi-curious reader will keep buying HUSTLER. —K. M.
Baxter, Kansas

Erin Boys

All the guys who work down at the plant with me love HUSTLER. We especially dig Beaver Hunt and would like to cast our vote for Erin (October 2001 HUSTLER) as a Beaver Hunt Finalist. Keep up the good work. —J. P.
Joplin, Missouri

Trisha: Beached Bitch

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

Muff Hunter

I love HUSTLER. It always has the best variety of girls. I especially love Beaver Hunt. Is there any way I can see more of Erin from Oklahoma (October 2001 HUSTLER)? She looks like the kind of dame who could really rock a guy's world. Thanks. —R. T.
Kalamazoo, Michigan

Erin's cabal of supporters has spoken. Unfortunately, this year's Finalists have already been selected. Turn to page 12, let the Beavers make you hard, then vote and make your voice heard.

Sit-cum Set?

I agree with Clive Thurstwood's review of High Octane (Erotic Entertainment, September 2001 HUSTLER). Someone really should bring that hot brunette to the States, and I believe it should be HUSTLER. In fact, I have a great idea for her first layout. Since she looks so much like Elaine (continued on page 19)

SILENT BOB SHOOTS HIS WAD

KEVIN SMITH INTERVIEWED BY **STEPHEN SONNEVELD**
COMIC BOOKS BY **ROB ORZECHOWSKI**

When Kevin Smith's no-budget first film, Clerks, debuted in 1994, the filmmaker was just a scruffy comic-book geek with a boner for Star Wars, hockey and low-brow humor. *After helming several well-financed studio pictures and landing a slew of high-profile celebrity friends, Smith hasn't changed much—he bought a comic-book shop in his native New Jersey with his newfound wealth and still dresses like an overweight, hairy schlub. While his Hollywood pals are busy checking into rehab,* ***Smith is still doing what he does best: making politically incorrect, oddball flicks such as his latest, Jay and Silent Bob Strike Back.*** *As his newest picture basked in prerelease controversy (GLAAD is pissed about the movie's nonstop fag jokes),* ***Smith talked to America's Magazine and answered the questions only HUSTLER has the balls to ask.***

HUSTLER: *Matt Damon and Ben Affleck: Which one's the wife?*

KEVIN SMITH: *Which one? The wife would have to be Matty, 'cause Ben is very butch. I mean, Ben would pitch and Matt would catch, if that were the relationship.*

HUSTLER: *Hypothetically, would you rather have sex with Ben or Matt?*

SMITH: *I'd rather have sex with Ben. He's more my type, because, uh, he's very funny. Wit goes a long way. I've always been a heavy dude, but it's been [through] my ability to make people laugh, particularly women, that I was ever able to get laid. Affleck makes me laugh; I drop my panties in a heartbeat.*

HUSTLER: *Who did you really sleep with?*

SMITH: *Ben, of course. That's why he's in more of the movies than Matt.*

HUSTLER: *In Mallrats, you directed Joey Lauren Adams to take off her shirt while you crashed your head through the wall to see her. In Chasing Amy, you directed her to mack passionately with a girl. Why didn't you just ask her out on a date?*

SMITH: *What happened was, we did Mallrats together and had a really good time, and got along wonderfully. The only uncomfortable thing about Mallrats was that scene where she was putting her shirt on. The nude scene. Which was a hellish, hellish experience. She didn't want to do it; I didn't want to do it. The studio wanted it done.*

HUSTLER: *Have you fucked a lot of your actresses?*

SMITH: *No, that was the only one. Although now I cast my wife in this movie. She's not an actress, but she's got a pretty big part in the movie. She read the script, and she's like, "I wanna be in it too." I thought she wanted to do a walk-on, something like that. There's a part where she could have played my mother.*

HUSTLER: *Sounds Oedipal.*

SMITH: *Not my mother, Silent Bob's. There's a baby Silent Bob at one point in the movie, and I was like, Well, wouldn't it be great if she played the baby Silent Bob's mother? Because the baby Silent Bob was being played by our child. So I said, "How great; that's probably what she wants to do." No. She wanted this big part in the movie; so I go, "Okay, ya sure? You've never acted before." But she was hell-bent on doin' it. And she did a really great job.*

HUSTLER: *Did she give you your testicles back?*

SMITH: *I got 'em back shortly after the movie was done. Once I turned in my first cut, she gave me my balls back. But, uh, she did a great job. And in that movie, we cut it out of the movie, didn't make the final cut, but she was making out with Ali Larter. So, I had to direct my wife making out with a woman.*

HUSTLER: *Did you write Chasing Amy just for Joey Adams?*

SMITH: *I wrote Chasing Amy for Joey, for Ben and for Jason.*

HUSTLER: *Were you sleeping with them too?*

SMITH: *Sleeping with all three. That's pretty much how I write for people. I fuck 'em, and then I'm like, "What strength of their characters can I bring to the screen?"*

HUSTLER: *Kevin, don't ever cast me in one of your movies. How was your first snowball?*

SMITH: *(laughs) My first snowball was probably more accidental than anything else. I've never said to a woman, "Spit my cum back into my mouth, would you?" It was probably after getting a blowjob, having somebody kiss me, and being, "Something tastes salty." And then goin', "Oh, shit."*

HUSTLER: *Is Alanis Morissette as loud and annoying in person as she is on the radio?*

SMITH: *No. She's very quiet, actually. She's incredibly spiritual. And not spiritual in the way like, you know, she's all about religion or something, or faith. She just has that very ethereal quality about her; so she's very far from loud. She definitely has strong opinions, but she never crams 'em down your throat or anything like that. She's very unlike what her music sounds like.*

HUSTLER: *Didn't the Catholic Church excom-*

Smith and his stars (left to right: Ben Affleck, Jason Lee, Smith, Salma Hayek, Alanis Morissette): **How many has he banged?**

municate you for making Dogma?

SMITH: *No. No, not at all. Not yet. The truth [is that] the Catholic Church really had no position on Dogma. It was the Catholic League, this little splinter group.*

HUSTLER: *Is that the one with Hawkman?*

SMITH: *Hawkman, Green Arrow, the Atom and Bill Donohue, the guy that runs it. Bill Donohue is a dude who's a media watchdog, and he set up the Catholic League to go after portrayals of Catholics in TV and film that he felt unfairly portrayed Catholicism, or painted it in a bad light. So those were the cats who had the big beef with the movie.*

HUSTLER: *You were married at the Skywalker Ranch. Is sex better in the George Lucas compound?*

SMITH: *Not really. I'm a pretty conservative dude. The wife is always trying to get into fucking in all sorts of wonderful places, like the bathroom, or the floor in the kitchen, or outside. And I'm a real on-the-bed kinda guy. I like to be in my own bed. I like to be able to know that nobody can see through the windows. I know that the last thing I want anyone to see, or the last thing in the world anyone wants to see, is me with my fuckin' gear off. So, no, sex at Skywalker is like sex in a hotel. It's fine, but I'd much rather be in my own bed.*

HUSTLER: *Did Lucas apologize for Episode 1?*

SMITH: *No.*

HUSTLER: *Why not?*

SMITH: *I don't know. I mean, I wasn't one of those people that bashed on Episode 1.*

HUSTLER: *Do you agree with Spike Lee that Jar Jar was a modern-day Stepin Fetchit?*

SMITH: *I think Chris Rock had a better take on it. I was talking to him about the movie, and he said, "At any minute, I expected Jar Jar to start pickin' space cotton."*

HUSTLER: *Do you whack off as much as the average comic-book reader?*

SMITH: *Not anymore. I mean, the wife is really, really, how do I say it?*

HUSTLER: *Slutty? Is she a slut?*

SMITH: *Uh, libidinous. So there's really not much time or inclination to [jerk off] because the wife is always on the job. And more so than me. The wife is always like, "Let's fuck!" And I'm like, "Oh, God, I'm so tired today. It's been a long day. I just ate a full meal." She doesn't take no for an answer. The wife keeps me pretty busy, so much so that there's nothing to squeeze out.*

"I've never said to a woman, 'Spit my cum back into my mouth, would you?'"

HUSTLER: *So you just masturbate when you write screenplays?*

SMITH: *Yeah, pretty much verbally. I'm a verbal masturbator. I sit there in front of the keyboard, and then it's the equivalent of a great cum-shot by making a two-page monologue, spraying words like a pearl necklace across the screen. That's pretty much how I jerk off.*

HUSTLER: *You ever whack off to Wonder Woman?*

SMITH: *No, I've never whacked off to a fantasy character. I'm a guy, which means, of course, I'm missing a certain amount of IQ points to begin with, but never so much so that I was like, you know, "I'm just gonna whack off to a fictional character." That just doesn't do it for me.*

HUSTLER: *What kind of beer do you drink?*

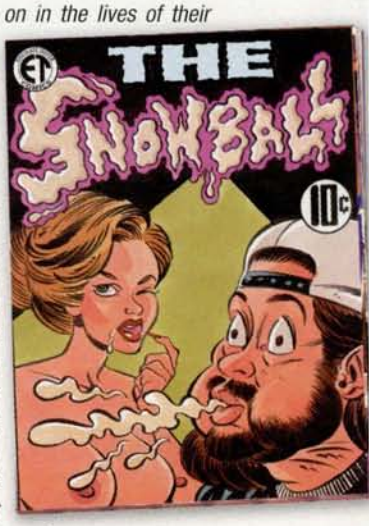
SMITH: *I'm not a drinker. I especially am not a drinker of beer. Periodically, I'll have a glass of merlot, and I don't even like that; so I have about half a glass. I can't drink hard liquor. The last time I drank hard liquor, I believe, was in high school. I got fuckin' ripped on Popov Vodka. It was when they were first issuing it in plastic, unbreakable bottles; so I just have this very, very vivid visual of me putting this thing in my mouth and squeezing. Just forcing vodka down my throat, and I got incredibly fuckin' sick, just vomiting everywhere.*

HUSTLER: *So you just stick to pot?*

SMITH: *I haven't really smoked enough weed. There was one period in my life where I smoked a lot of weed over the course of a summer, after I graduated high school. But I didn't wear it well. Somebody really came down on me. An old friend of mine said, "You're just not funny anymore," because I was smoking all this pot. That was it for me. I know if I'm not funny, I'm not getting laid; so I gave up on the weed.*

HUSTLER: *Should celebrities run for public office?*

SMITH: *It would make politics a lot more interesting. We tend to follow the lives of celebrities more than we follow the lives of our own loved ones. You can probably go into a college and ask any number of the kids there what's going on in the life of J. Lo. And then ask them what's going on in the lives of their parents, and they'd probably know more [about] J. Lo. So, being that we tend to gravitate towards the lives of celebrities, and be fascinated by them, why not put 'em in the White House? We might care a bit more about what our President's up to at any given moment.*



HUSTLER: *So you don't care what Dubya's up to right now?*

SMITH: *I gave up. The moment he was elected, I was like, "Well, I'll sit out the next four years."*

HUSTLER: *What's your take on the Jenna Bush fiasco?*

SMITH: *Can you imagine being in high school, and being the child of the President? You don't get to do the things everyone in high school does. You can't have indiscriminate fuckin' sex; you can't go out and drink. That whole Popov story I related would never have happened; it wouldn't be allowed to happen. If it did, it would make the cover of USA Today. You know, "President Smith's fat son, Kevin, redecorated his friend's room in vomit. This is not the way a President should be running the country, let alone his own kid."*

HUSTLER: *Who are the real heroes, Kevin?*

SMITH: *I'll give that nod to my parents. My father worked at the post office and never shot anybody.*

No doubt about it, C. W., that babe is hot. Your idea sounds okay, but if we wind up importing her fine, European ass, you can bet that her first role is going to be in *HUSTLER Editor Gang-Bang*.

Change Is Good

I can barely put into words how proud and happy you make me feel today. I hold in my hands the November 2001 issue of HUSTLER. I've only had it for about two hours and can't stop staring at the pictures inside. Your new format is perfect. Thank you for dropping the classic sets and for knocking your type down to a reasonable size. I didn't care for the recycled girls, and now the text leaves room for more skin. I live for HUSTLER. My dream is to work in the Flynt building someday. I will be a subscriber for life. —C. J.

Choosy Beggar

Your magazine is becoming more and more disappointing. How about featuring less street skanks with raggedy-looking pussies and find some real talent that's worth looking at? You also need a serious overhaul in the photography department. You constantly chop off legs, feet and arms. Who takes your pictures, Jeffrey Dahmer? If you can't do better, me and my gift subscription will go elsewhere. —W. L.
via Internet

Hey, pal, our Honeys are some of the hottest girls on the planet. There's an army of HUSTLER readers that will back us up on that. Our photographers may be perverts, but they're not sickos. Jeffrey Dahmer was a cannibal with a taste for young men. Perhaps your violent disdain for our babes makes you more like that freak than you think.

Brother's Gonna Eat It Out

I have a comment for all the fools (white or black) who don't eat pussy: You don't know what y'all are missing. I've eaten so much pussy that my breath smells like cunt. I'd eat every slit in HUSTLER at the drop of a hat. I'd cut off a nut to eat Ryan's fine snatch (Ryan: Triple Delight, September 2000). Just a word to the wise, fellas: If you don't eat pussy, you better start. —D. G.

Mangled Mag

I was deeply disappointed when my October 2001 issue of HUSTLER arrived and was completely wrinkled. The issue was hot as usual, but the ragged state of the magazine made it harder to enjoy. I (continued on page 31)

Paging Dr. Nutjob

Our nation has been flushed down the old tuberoo because of sex perverts such as Hugh Hefner and Larry Flynt. America's greatness is gone forever. V-Eight: *Claudia: "Must you make that stupid vroom-vroom noise?"*

V-Eight: *All the fulfillment of a fist without the pesky stigma.*

V-Eight: *Nikita Denise is forced to improvise after leaving her toothbrush at home.*

V-Eight

Directed by uncredited.
Starring Nikita Denise, Claudia Adkins, Brigette Kerkove, Brianna Banks, Dillion Day, Joel Lawrence and Dale D'Bone.
Videocassette: Visual Images.

V-Eight isn't about cars; it's about cramming a chick's cracks full of digits—four in the cunt and four in the ass, to be exact. While the content is recycled from other flicks, it's difficult to find fault with filched footage that features depraved babes such as Claudia Adkins, who turns up twice. Clad in a slinky nurse's uniform, Claudia spreads for Joel Lawrence, who crams both paws into her elastic sockets. Later, Dale D'Bone lubes the black-haired babe's shitter and slides his fingers in while Claudia shoves her dainty feelers into her pink pocket. In both scenes the boneheads fuck Claudia senseless and blow beefy wads onto her panting face. Claudia's receptive rectum alone makes this a worthwhile wank, and the rest of the cast adds *oomph* to *V-Eight*'s already powerful stroke fuel.

Mother Loves Bone

Gauge's Mom Drops by the Set

Many porn stars hide their careers from their families. Gauge isn't one of them. When the diminutive starlet's mother and grandmother made the trip from Arkansas for a visit, Mom dropped by the HUSTLER photo studio to see what her daughter does for a living. Apparently, overcome by maternal pride, Ma Gauge took an active interest in the proceedings, using her guiding hand to steady the hard-on that her daughter was fellating and further impale her scion's yap on said prong. Gauge filled *Erotic Entertainment* in on the sordid details.

HUSTLER: What was your mom's reaction to your job?

GAUGE: I'd already told her that I'd done porno. She was like, "Well, cool; I wouldn't have the guts to do it." So she's really happy for me as long as I'm happy.

HUSTLER: Did you half expect that she'd disown you?

GAUGE: No.

HUSTLER: You knew all along that she'd be supportive?

GAUGE: They've always been [encouraging], even my grandma, and my grandma doesn't even know that I smoke cigarettes.

HUSTLER: But she knows you do porn?

GAUGE: Yeah. Doesn't that fucking suck?

HUSTLER: So in Arkansas, you can talk about porn, but you have to sneak cigarettes in back of the barn.

GAUGE: No, we don't talk about porn. After I shot for you guys and found out that [grandma] knew, I've been so...I'm still fucked-up about it. I just wanna scream. She hasn't said anything. She knew I used to dance. She would just tell me, "Well, honey, I believe that you'll make the best decision. It's okay."

HUSTLER: Did your mom do a good job raising you?

GAUGE: It was tough financially, but she brought me up being my friend *and* mother. We've always been real close.

HUSTLER: Were you nervous about her coming to work with you?

GAUGE: Yeah, a little bit. I was waiting to shock her, but nothing I do shocks her anymore. She just expects the unexpected from me.

HUSTLER: When your mom came into the shot and started helping out, did that surprise you?

GAUGE: Yeah, that was frightening. Oh, my God.

HUSTLER: What alarmed you the most about it?

GAUGE: Well, she's holding the dick that's in my mouth, you know? That's freaky, man. I'm like, I'm from Arkansas, but....

HUSTLER: Some people would say you have a pretty cool mom.

GAUGE: Yeah, she is cool.

HUSTLER: What else did you do while your family was in California?

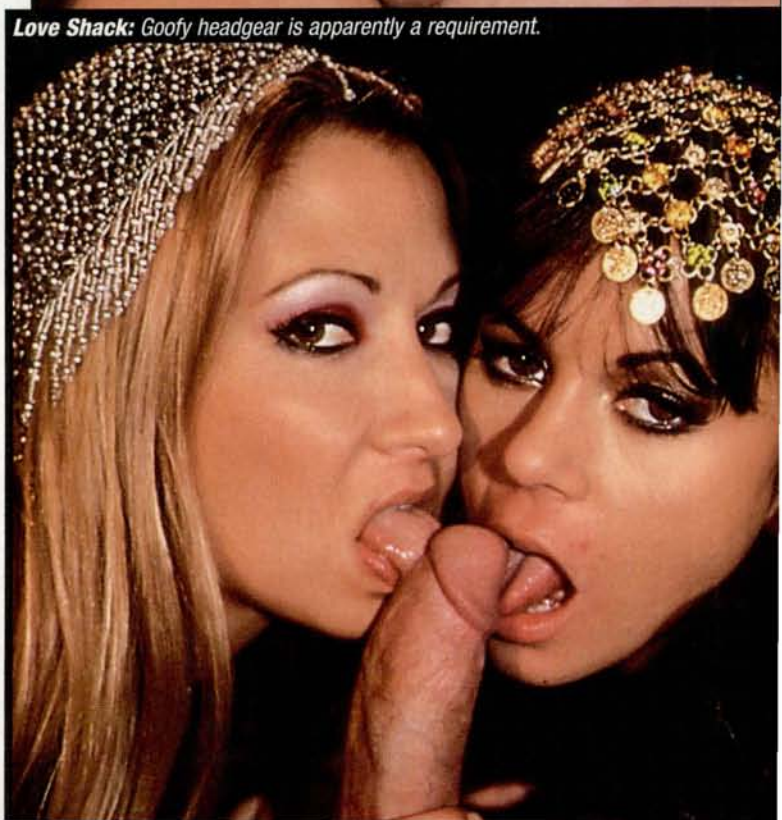
GAUGE: I took them all to Mexico. I bought some champagne, and we drank it one night.

HUSTLER: What was your mom's impression of California?

GAUGE: She wanted to take me and the weather back with her.

Mom lends a helping hand.

Together Forever: "Right now, I feel so close to you...except for the unconsciousness and all."



Love Shack: Goofy headgear is apparently a requirement.

Puritan Sexxx #1: Anal Fever: *"This should help lower your temperature."*

Tushygirl Video Magazine #2: *"For my next trick, I'll pull Verne Troyer out of my snatch."*

Love Shack

Directed by Red Ezra.
Starring Serenity, Devinn Lane, Stephanie Swift, Sydnee Steele, Jewel De'Nyle, Inari Vachs, Olivia Del Rio, Nicole Sheridan, Shay Sweet, Jezebelle Bond, Brad Armstrong, Mark Davis, Chris Cannon, Dillion Day and Voodoo.
Videocassette: Wicked Pictures.

Less fruity than the B-52s video of the same name but just as self-satisfied, *Love Shack* is a by-the-numbers vehicle for Wicked's workhorse contract slut, Serenity. The moon-faced sperm burper struggles in the role of a super-sexy Webmistress whose Internet-cammed digs are nirvana for online onanists. Mocha-skinned starlet Olivia Del Rio, a welcome addition to the jizz industry's growing stable of sultry Latinas, satisfies with her impressive choad-huffing prowess. Unfortunately, Olivia's skillful draining of Mark Davis's cum crank is hampered by its presentation in "Web-cam vision," where viewers glimpse the action through what looks like a streaming Internet video with a slow modem connection. Skip the *Love Shack* and look for nicer accommodations.

—Clive Thurstwood

Together Forever

Directed by Jack Remy.
Starring Krysti Myst, Ava Vincent, T. J. Hart, April, Zoe Young, Dale D'Bone, Chris Cannon and Evan Stone.
Videocassette: Sin City Ultra.

Ava Vincent plays an eerily convincing psycho bitch in *Together Forever*, exercising her ample "acting" skills as Francesca, the unhinged roommate of Krysti Myst. Soon after moving in, Ava makes a move on Myst. The two finger-fuck each other, setting the groundwork for Ava to go bonkers. Vincent begins to dress like Krysti, stalking and killing the busty blonde's friends and co-workers. Dale D'Bone plays Krysti's best friend, who Ava tries to fuck to death. The whacked-out blonde blows D'Bone, then humps him with the growling intensity of a Ritalin baby who forgot to take her meds. D'Bone blows a messy wad on Ava's face just before the cops break down the door and save him from his impending demise. With seven sex scenes and the inspired casting of Vincent as a cock-crazy kook, *Together Forever*'s spank appeal outlasts its plodding plot and dull dialogue.

—N. V.

Puritan Sexxx #1: Anal Fever

Directed by uncredited.
Starring Dru Berrymore, Mandy Mystery, Stacey Lovecock, Jessica Fiorentino, Sandra Russo, Chris Charming and Johnny Slovak.
Videocassette: Puritan Video Productions.

The poetically named Mandy Mystery and Stacey Lovecock start *Puritan Sexxx #1: Anal Fever* off with a killer bang. The twosome gleefully bend and spread as a grunting mook plunders their shit rings. Miss Mystery is blessed with an ominously cavernous turd chute that the camera risks tumbling into during close-ups. Unfortunately, the rest of this anal extravaganza doesn't measure up. Dru Berrymore nails some goon in a kilt, which makes the ass-schtupping she endures a wee bit gay. Dru's flexibility and muscle control are showcased when her shit-pipe graphically dilates and contracts after a thorough cock probing, but that still doesn't make up for the fag in a skirt. The box cover cautions, "Watching this video can cause hot, pulsating or throbbing wet feeling in anal area." Purchasers of *Puritan Sexxx #1: Anal Fever* will recognize the sensation as the result of a thorough consumer reaming.

—C. T.

Tushygirl Video Magazine #2

Directed by Robert Cohen.
Starring McKayla Matthews, Tanya Danielle, Shay Sweet, Kiki Daire, Alexandra Quinn, Brooke Hunter, Luna Rio, Tice Bune and Hakan.
Videocassette: Seymore Inc.

Fucking takes a backseat to anal stunts in *Tushygirl Video Magazine #2*. This offering from Seymore Butts is essentially a behind-the-scenes video companion to his *Tushygirl* periodical. Each scene documents a photo-shoot from its playful beginning to sore, gaping end. Blond cutie McKayla Matthews shoves an astounding variety of objects into her ass, including a candle, banana and a rolling pin. Amazingly, McKayla's bung is even more mind-boggling when empty. Matthews's gape is huge, and stretches so wide that it resembles a second cunt crammed full of raw ground beef. Those hoping for honest-to-goodness screwing will find boy/girl fulfillment in only two of the tape's six scenes. The raunch, punctuated by camera flashes and position changes, isn't terribly conducive to stroking, but *Tushygirl Video Magazine #2* succeeds as an awesome rectal spectacle.

—N. V.

The Real Deal Amateurs: "Psst. Honey, cover my tat. I don't want Mama to recognize me."

Shane's World #27: Girls on Top: On the bottom is cool too.

The Real Deal Amateurs

Directed by uncredited.
Starring Pam, Green Eyes, Laura, Muffdiver 69 and Bruno.
Videocassette: Arrow Productions.

In stark contrast to the bogus "pro-amateur" videos that use the tag as an excuse for camerawork that's crappy even by porn standards, *The Real Deal Amateurs* wears its absolute-zero production values as a badge of honor. While some companies sneak established sleaze queens such as Tera Patrick into their amateur fare to boost interest, you're more likely to see the crusty, old waitress from your local Denny's gnawing on an anonymous dick in this flick. Erotic free spirits with names like Laura and Muffdiver 69 treat viewers to unglamorized helpings of sucking, fucking and masturbation. These folks aren't the dead-eyed video sluts who lie there waiting for a paycheck, but genuine sex fanatics who want to be seen in action. Unfortunately, the authenticity of *The Real Deal Amateurs* also means that some of these randy naked people are plain scary-looking. Reality is seldom pretty. **—C. T.**

Shane's World #27: Girls on Top

Directed by uncredited.
Starring Samantha Stylle, Allana Evans, Wanda Curtis, Nina, Nicole Sheridan, Meriesa, Paige Sinclair, Voodoo, Mario, Dillion Day, Jason McCain, WondongX, Gunner, Orson and Mike.
Videocassette: Odyssey Group Video.

In *Shane's World #27: Girls on Top*, the ladies pick their fuckmates. Several dudes are blindfolded and led into the clutches of a klatch of porn babes. The hoodwinked initiates are stripped and grilled by the tramps. Voodoo is asked to sniff-test two cunts and picks Nicole Sheridan, his longtime girlfriend. Smells fishy. In concept and execution, this offering is way off the mark when compared to earlier editions of the series, which usually involved field trips and extreme stunts. In one of the video's rare high points, Samantha Stylle takes on a pair of fans, enthusiastically slurping their schlongs. Both civilians hold their wood long enough to give Stylle a good porking, before popping on her face and stomach. While those lucky mooks went away satisfied, it's a good bet that hard-core fans won't be quite so jazzed by *Shane's World #27: Girls on Top.* **—N. V.**

Babes Illustrated #11

Directed by Mike Quasar.
Starring Logan LaBrent, Goldie McHorn, Chrissy Sparks, April, Calli Cox, Brie, Tanya Danielle, Nina Ferrari, Suzy Summers, Cheri and Nikita Denise.
Videocassette: Metro Studios.

The sapphic ladies of *Babes Illustrated #11* writhe, twist and bleat crocodile moans, but fail to generate groin-blasting orgasms in themselves or the viewer. While the flick is expertly shot, it's obvious that the gorgeous cast's thirst for genuine she-cum goes unquenched. The cunts flip-flop listlessly through 69s, finger and slurp slit, and avoid ass-play like the plague. Each segment ends anticlimactically with the dyke duo smooching, a poor replacement for a pop-shot or spurting G-spot climax. April, a natural, young strumpet, is one of the few babes on board who sells her enjoyment of the same-sex encounters. She and Nikita Denise position their cunts over the massage jets of a bathtub and diddle like mad. Later, Chrissy Sparks does a flip, her cooze landing squarely on April's eager tongue. Otherwise, *Babes Illustrated #11* is just pretty scenery with no real juice. **—N. V.**

Makeup

Directed by Anita Rinaldi.
Starring Anne Joy, Pam Kay, Maria, C. G. Summer, Dina Pearl, Dora Venter, Nannes Beaumont, Sylvia Sun, Pocahautas, Alberto Rey, Alex Mantegna, Mike Foster, Pavel Kovesi, Bob Terminator, Christophe Clark and Frank Gunn.
Videocassette: Vivid Video.

The giggles never stop in *Makeup*. A stripper/callgirl hooks in a picturesque European city where the citizens speak only enough English to growl mangled lines such as, "With all the blood rushing to your head, your dick gonna shrink even smaller than already." Anne Joy, the blond lead slut, is saved from her life of lap dances and $300 tricks by a greaseball who wants to transform her into a fashion model. Considering Joy's big, horsey teeth and iffy complexion, it must be her ability to take tool in the ass and deep-throat his uncut cock that impresses the grizzled svengali. The video's momentum is continually derailed by an overabundance of slow exposition, but a hot orgy featuring girls clad in pink pussycat costumes and oodles of naturally voluptuous European cooze help *Makeup* cover some of its blemishes. **—C. Buttslammers Lives

Bionca Revives Bruce Seven's Dead Series

Director Bruce Seven staked his claim in the decadent '80s with films such as *Real Rape* and *Painful Revenge*. From there he found a niche in lesbian flicks epitomized by his famed *Buttslammers* series in which Bruce shocked his viewers by pushing the limits of phallus-free anal violation. Even after a stroke forced the wicked auteur into a wheelchair in 1995 and nixed his own ability to have sex, Bruce continued writing and directing XXX films with wife/porn star Bionca.

Bionca: 21st-century 'slammer.

After Seven's death from emphysema in early 2000, hopes for the continuation of the *Buttslammers* series were similarly expired. Recently, however, Bionca stepped up and resuscitated what she calls "one of the best girl/girl lines out there."

"It's something Bruce and I talked about quite some time ago," Bionca states from the set of *Buttslammers #20*. "You know, to carry on the series."

Bionca successfully upholds Bruce's legacy with a stellar 20-girl orgy. The lube-slicked fuckfest pairs veteran stars of the series with a new group of sleazy babes for a rousing session of spanking and potty-hole probing. Established sapphic sodomites Felicia Fox, Charlie, Sindee Coxx and Dru Berrymore happily share spit and slit with fresh-meat talents Nikita Denise, Coral Sands and Brooke Hunter. Although some of the older rug-munchers have seen their porn heyday come and go, Bionca feels that, as long as they're filthy and eager enough to have large objects shoved deep into their shit caves, there's a place for their hoary assholes.

The late Bruce Seven haunts the set.

Bionca, though flying solo as director, seems capable of handling onset mishaps with the grace of a seasoned pro. An unexpected flow of feces escapes from the rectum of one of the gals during a scene. The production screeches to a halt as Bionca pulls her poopy, gloved hand from her co-star's shitter. "I studied Bruce. He was a big part of my life," she says. "And it's happened to me before; so I can relate. It's like, 'Oops, someone shit; let's clean it up.' And it's back to work."

Buttslammers #20 is available now from Pleasure Productions.

Planet of the Gapes #4

Directed by Tom Byron.
Starring Delfin, Violet Blue, Sienna, Monique, Kelsey, Tom Byron, Dillion Day and Luciano.
Videocassette: Extreme Associates.

Ass connoisseurs will find two tasty treats scattered among the rectal wreckage of *Planet of the Gapes #4*. Violet Blue has a smile that puts Jennifer Love Hewitt's to shame; she grins like a trouper when mentally challenged cocksman Dillion Day explores her crap hatch with his crooked pud. Blue's perfect little body, with its tastefully bushy snatch and pert chest pillows, is the high point of *POTG #4*. Brunet starlet Sienna runs a close second with her exotic beauty and positive attitude toward anal violation. The rest of this browneye extravaganza is grim. Luciano exudes greasiness as he drills Kelsey's willing rosebud. Less savory sights such as stretch marks, cellulite and Tom Byron abound in the other scenes, sharply diminishing the starfish-spearing appeal of *Planet of the Gapes #4*.

DJ Groupie

Directed by Kris Kramski.
Starring Sharon Wild, Claudia Adkins, Lola, Bella Donna, Monica Mayhem, Mickey G., Jason McCain and Joey Ray.
Videocassette: HUSTLER Video.

Club culture and hard-core clash when *DJ Groupie* hits the dance floor. Filmed in Miami during the Winter Music Conference, a weekend-long electro-dance convention, this ecstasy-fueled fuckfest successfully captures the sultry heat of the Florida party scene. HUSTLER Honeys throw down at a nightclub, shoving dancers to the side as they turn the floor into an all-out orgy. The club kids abandon their train-spotting to watch Bella Donna slurp on a Blow Pop while Mickey G. plows her poop chute. Later, at a rooftop rave, Lola, Claudia Adkins and Sharon Wild climb up to the heliport and take turns galloping on a prick. The tape's best screw occurs on a hotel balcony when Jason McCain takes on Claudia and Sharon under the setting sun. McCain bangs both cunts senseless, then dispenses a huge dose of sperm, which the pair lap up like dehydrated e-heads. *DJ Groupie* is an overdose of techno-smut; abuse with caution. **—N. V.**

Wild Honey #3: The Climax

Directed by Nic Cramer.
Starring Sunset Thomas, Kiki Daire, April, Gwen Summers, Randy Spears, Zach Thomas, Michael J. Cox, Kyle Stone, John Strong and Chris Cannon.
Videocassette: Pleasure Productions.

Wild Honey #3: The Climax is the final chapter in a convoluted XXX soap opera. The flick opens with Sunset Thomas waking from a groggy sleep. Thomas's boyfriend molests the bright-eyed blonde's ample breasts and informs the dazed cock socket that she swallowed a bottle of pills and took a suicidal header into the pool the night before. Unfazed by the news, Sunset coos as the chump peels away her panties and buries his face deep in her velvet crevice. The couple ruts like monkeys on crack. The cum barely has a chance to land on Sunset's tits before the majority of the cast storms into the boudoir, slams a hypo into Thomas's ass cheek and drags the drugged starlet away. *Wild Honey #3: The Climax* makes little sense, but each plot twist and complication adds a bizarre kink that sweetens every fuck. **—N. V.**

The Pillsbury Suck-Off

I live in Pillsbury, a small town in Minnesota halfway between the Swan River and the Little Swan River. There's just me and my mom and two sisters, Flossie and Nan. Even though I already turned 18, I'm still the kid of the bunch; so they call me Skipper, just like the Barbie doll. Us daughters take after Mom: We're all tall, thin blondes with flat butts. My sisters used to hate me for stealing their boyfriends, until I had an idea—and I hope to be famous for it.

"You guys bring your boyfriends by on Sunday, and the two girls who deep-throat cock the best have dates the following Friday," I said. Nan and Flossie gawked at me as if I had just sprouted a third nipple on my forehead. "The loser gets ice cream," I added, because Flossie has a weakness for Häagen-Dazs Dulce de Leche, and Nan does whatever Flossie says.

"What the hell, ice cream's as good as a man," Nan replied, and we just about died from laughing.

On Sunday, Mom made a terrific dinner and left us girls on the screened-in back porch with Bert and Fred. The second our mother was out of sight, Nan's head was in Bert's crotch. He jumped a little when she opened his zipper with her teeth, but, seeing as Fred was turning away out of politeness, Bert let his big stiffie out of his underpants. Nan slurped the throbbing donger into her mouth.

Flossie and I raced to Freddy's lap. We stroked his jeans, each trying to elbow the other out of the way. Fred works at the bottling company. He's union; so seeing us fight over who got to do the job was strange and exciting for him. I ran my tongue along Fred's fly, feeling his rod knocking against the denim, before my sister dropped her drawers and plopped her pancake ass into his lap, knocking me out of the way.

Flossie bounced her crack against her boyfriend's tent until poor Fred pulled his monster-sized dong out. I had no idea he was so huge. My oldest sib was trying to cheat, using more than her mouth.

"What is this shit?" I barked. Flossie gave me the bitchiest look. I jammed my face into Fred's lap, using one hand to keep Flossie's slit off my nose, and sucked the base of that big cock. Fred inched forward on the wicker love seat, grabbing the back of my head. Flossie fell on the indoor/outdoor carpet, cussing out loud. I parted my lips over the fat tip and choked as much meat down as I could, retching a little when Fred started pumping.

It was supposed to be a blowjob contest, but Flossie acted like I'd stolen another one of her men. She sat back down on him and tried to pull Fred's dick from my mouth and stuff it into her pussy. I think the bitch batted me in the nose on purpose—even though I couldn't see her expression with a dong in my mouth and her twat in my face. For a second, I thought my schnozz was broken, it stung so much.

I reeled back, screeching, "*Ow!* Quit it, you bitch!" but she didn't seem to care either way.

When Flossie's ass came down again her honey-colored fuzz must have tickled Fred just right; he bucked his hips and blew pecker snot all over the back of my sister's blouse.

Nan had been licking Bert like a popsicle, but when she saw Freddy go off, it was monkey-see, monkey-do. She dropped trou and slid her snapper over Bert's shaft. Bert stood up and rearranged the cheating bitch so they could do it doggy-style.

As I watched Flossie remove her top and lick it clean while Nan took a vigorous pounding from behind, I was so mad I could spit. Nobody was even playing the game right, and my nose hurt. I hated to do it, but my sisters left

me no choice. I opened the door to the house and squealed.

"*Mommm*!" I hollered. "Flossie and Nan aren't being fair!"

Our mother appeared in the doorway, drying her hands on her apron. Embarrassed, the boys both tried to cover up their dongs with their hands.

Mom rolled her eyes and said, "Jesus God, Skip, what did you tell them this time?"

"Just that we would have a best-blowjob contest," I sobbed, "and they won't suck the guys off. They won't let me even have a *turn*!"

Mom sighed and nodded. She quickly knelt in front of Bert. Easing a finger up his butt, Mama slurped noisily at his pecker. She pressed the finger in Bert's ass toward her. It was like Bert was a can of Reddi-Wip; Mom filled her mouth with boy-cream and spat it out.

She moved on to Freddy and did the same, keeping his mushroom-cap up against her lips this time. When Fred blew his load, she popped her mouth open and backed away six inches. I was afraid she'd mess up her hair, but Mom caught each glob so neatly it didn't even touch her lips.

"There," Mom said, real snippy, "game's over." After she rinsed with a swig of Coke, she added, "Bert, Nan, Freddy, Flossie; go play somewhere else."

The other girls scooted, dragging their boyfriends behind them. My mother's something, all right.

"Skipper," Mom scolded, "you're a handful. I don't want you messing with your sisters. I'm not going to punish you, because, one, you're a grown-up, and two, I think this game could make us rich. If you sold it to bars, it could be bigger than wet T-shirt night."

Please print my letter. I may need evidence in court someday that I invented the whole thing myself. Speaking of wet T-shirt contests, do you happen to know how much the guy who made them up got? —S. J.

Brushing Her Teats

I won't bore you with the details, but last summer I was released from a long stint in prison. Shortly after being sprung, I landed a decent job as a bouncer and met a girl who, while somewhat thickset, has cleavage you could hide a flashlight in.

Dorinda's many interests include ass-fucking; so we got on famously. While I'd seen my share of sodomy in lockup, the difference between planting my pud between her large butt cheeks and my experiences in stir is immeasurable. A woman's shitter is a tender, delicate flower; making a lady's huge boobs flap by bending her over and pounding her crap chute is the celebratory act of a free citizen.

Dorinda is an accomplished bisexual; it was at one of her Tuesday-night girl-parties that she learned how many uses cheap, battery-powered toothbrushes have beyond oral hygiene.

When I came home from work at 2:30 Sunday morning, a tinny buzz filled my small apartment. I was sure the smoke alarm had broken. Panicked, I rushed through the apartment and found Dorinda sprawled over my blanket, a Dental Care 3000 in each mitt. The bedroom air was heavy with what must have been hours' worth of girl musk.

Dorinda's pale skin showed irritation around her light-pink nipples and shaved pussy. I watched as she buzzed both rotating bristle heads on either side of her clit, then plunged one vibrating tool deep into her swollen pussy for just a second before bringing it back to her chafed nubbin.

I'd never seen Dorinda's face so twisted by passion, but then, due to my anal bias, I'd seldom seen any expression of hers during sex. As she buzzed her nether regions, she lolled to one side, lazily rubbing her meaty legs together. The mechanical whine took on a different tone. She moved the brushes up to her boobs, pressing the bristles firmly into each tiny, pink nerp. Completing her slow roll, my girl lay on her stomach, mashing her chest into the toothbrushes so forcefully I could hear their little motors slipping. Her ass arched into the air.

I announced my presence with the sound of my belt buckle hitting the floor. Dorinda smiled and pushed her crack up to greet me.

I don't know whether her dainty rosebud had been greased for my arrival or she had merely forgotten to wash away last night's lube, but my engorged member plopped effortlessly into her butthole with a *splutch*. Her sphincters clamped around the base of my prong. I grabbed *(continued on page 119)*

Dear Slut

Jeanna Fine Tells the Fucking Truth

Tit Tips

My wife is considering a tit job. She currently has a C cup, but she wants her jugs to be bigger and firmer. How do you go about finding a reputable doctor? Also, where is the best place for the incision to go through? My wife has beautiful, sensitive nipples. It would be a shame if she lost sensation. Help us out, Jeanna. ***—B. S.***
via Internet

Choosing a trustworthy surgeon is just like finding a reputable dentist or mechanic. If you scour the bargain basement, you're going to be sorry. That said, the frugal surgery-seeker may want to consider having their breast-enlargement procedure done in a smaller town, since big cities have inflated prices. Listen to your doctor's size recommendations. I underwent a second surgery to go 50cc's bigger when my year-old implants finally settled because I didn't take the doctor's initial advice. Avoid quacks who would just as soon cash your check and send you home with outrageous, melon-sized milk bags. Insist on going through the nipple and over the muscle. That's how my job was done, and I'm very happy with it. Your wife will lose some sensitivity, but after a year, as the connective tissue and nerves regrow and heal, your woman will regain much of the feeling in her nerps.

Orgy Etiquette

I have three hot female friends. I often fantasize about fucking all of them at the same time. I'm not sure how to broach the subject, but I really want to run my idea past them. What's the best way to lure them into a foursome? ***—R. P.***
San Francisco, California

Sometimes good friends are harder to find than pussy, but this situation sounds too tempting to pass up. The next time all four of you are slugging down a case of beer, turn on a XXX video or switch to the Spice channel and see what their reaction is. Although I usually caution against mixing pussy and alcohol, a drunken game of truth-or-dare might be the perfect icebreaker. If the girls respond with repulsion when you steer the game toward nastiness, abort the operation. If you are rewarded with smiles, winks, nudges or any other positive response, go for it. You may have a killer fuck party on your hands.

Back in the Sack

My husband and I love to fuck. Recently, he threw out his back on the job. Now, he always reluctantly turns down sex because he's afraid of aggravating his already painful injury. I know that he's dying to dip wick, and I want to give him some satisfaction. Do you know of any positions that won't fuck with my hubby's back while we screw? ***—J. N.***
Hillsdale, New Jersey

Start with a hot bath, then give your husband a slow, sensuous back massage. Once he's in the mood, have your man lie on his back in a neutral (neither arched nor slumped) position. Slide on top and do all of the work. Make sure the patient avoids wild hip-thrusting. If hubby insists on mounting you, fit him with a lumbar support belt. Impatient fuckers can always anesthetize themselves with wine and muscle relaxers and pay later.

Supersize Sacs

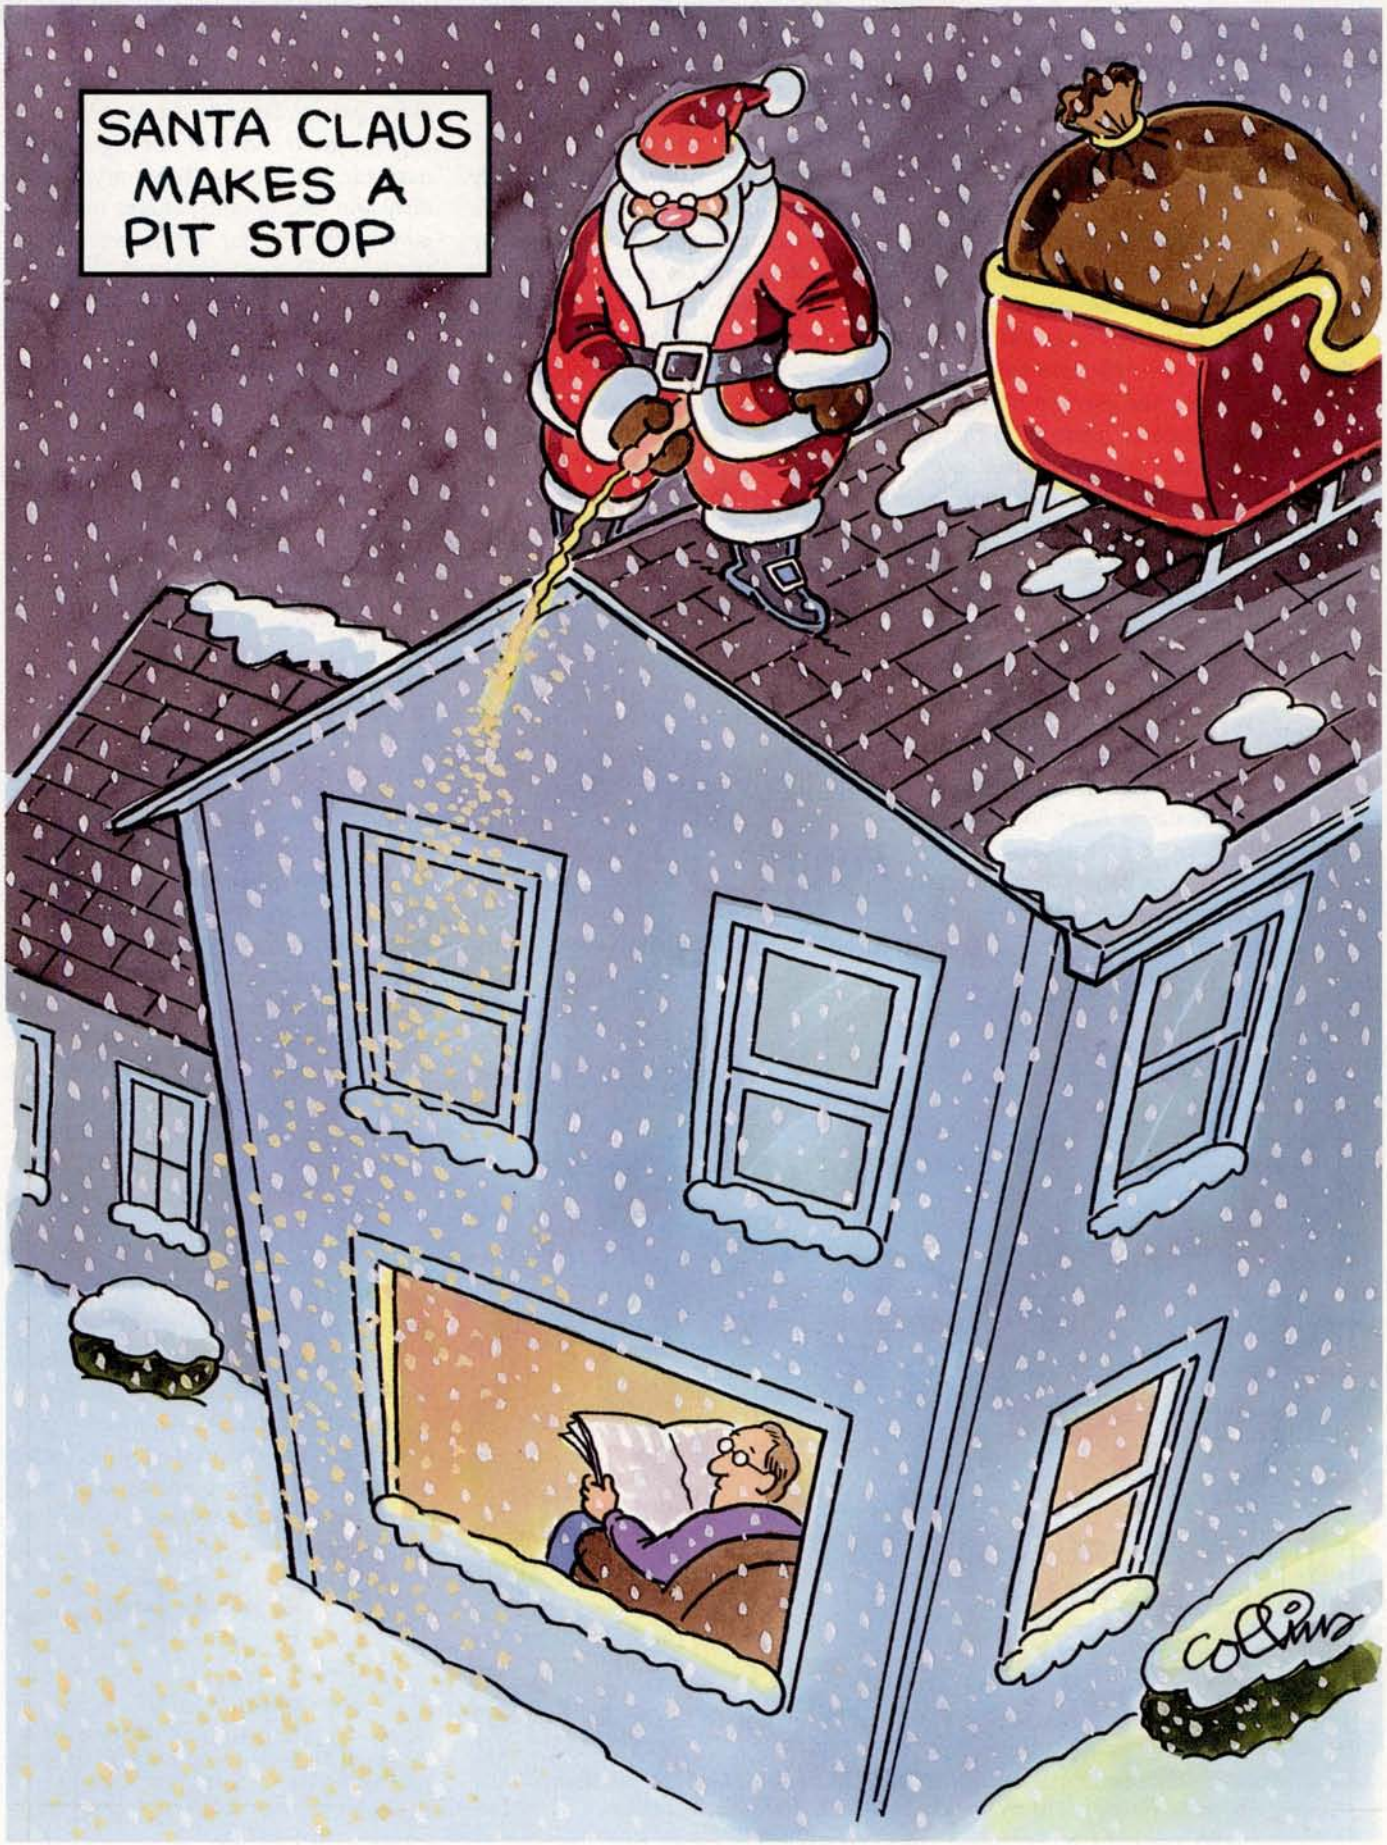
My girlfriend and I have a great sexual relationship. She loves my nine-inch cock, but wishes that my balls were bigger. Is there such a thing as scrotum-enlargement surgery? If not, do you know any tricks that will make my nuts grow? ***—P. B.***
Lima, Ohio

Plastic surgeons will do just about anything these days. Testicle-enlargement surgery is usually performed on patients who have had testicular cancer or those who were born with undescended testes, but many men have already undergone nut inflation for purely cosmetic reasons. Be warned; this surgery may affect your fertility. Personally, I'd stick to letting your balls fall where they may.

Fuzz Pluckers

I don't understand why guys shave their nuts. Is there some kind of sexual benefit to having hairless balls? Almost all the guys in porn flicks trim their testicles, which seems a little gay to me. What's the deal? ***—J. H.***
via Internet

Porn studs shave because nut hair looks grungy and dirty on camera. Shaved and tanned body parts are simply more photogenic. In addition, many ladies appreciate a squeaky-clean crotch; there's nothing worse than going down on a dick and earning a short-and-wiry in the back of the throat for your trouble. Free-balling hetero dudes who shave their sacs will attest to the benefits; a babe is way more likely to suck a smooth *cojone* than a fuzzy nut.



SANTA CLAUS MAKES A PIT STOP

Dear Slut

"When I finger-fuck my wife's shitter during cunnilingus she always comes like a geyser, but she refuses to let me jam my cock in her sphincters."

Cabin Fever

My wife was sexually abused by her father every summer at their family's cabin. The bastard is dead now, and my mate has long since come to terms with the whole ordeal. In recent years, we've taken to using the cabin for vacations again. My wife says that we shouldn't let her asshole of a dad ruin such a beautiful place. The thing that really freaks me out is that our sexual escapades in that old hunting shack have been the wildest and most satisfying of our marriage. Is it unhealthy for my wife to screw in the shadow of her terrible past? —E. N.
Great Falls, Montana

Your wife is dealing with her trauma perfectly. Your vacation fuckathons are her way of confronting her demons and taking back her sexuality. More than a few women would just burn the cabin down and call it a day. Your wife's ballsy attitude is healthy and admirable. Hang on to this one; she's a winner.

Tiny Kisser, Huge Dong

I love blowjobs, but my wife is really tiny and can't open her mouth wide enough to properly accommodate my prick. She winds up scraping the hell out of my willy with her teeth. My wife loves giving me head, and I would enjoy receiving it more if there weren't so much pain involved. Short of knocking her teeth out, is there any solution to our dilemma? —H. K.
Boston, Massachusetts

Sorry, buddy. If you insist on plunging the oral depths, you're stuck with the teeth. Molars always come into play when face fucking. Look at the occasional deep-throat as the cherry on top of the sundae. Either enjoy the great head your wife already gives, or chase down a big-mouthed Carly Simon lookalike.

Poop Finger

When I finger-fuck my wife's shitter during cunnilingus she always comes like a geyser. Despite the fact that she owes a good many of her orgasms to ass play, she still feels that anal sex is dirty and wrong, and refuses to let me jam my cock in her sphincters. What's the deal with this hypocrite? —J. K.
via Internet

You're already halfway there if she's allowing you to digitally probe her hole, but your choice of language may be contributing to your lady's fear. HUSTLER lingo works with the fellas, but often scares the more timid female. I'd even go so far as to avoid using the word "ass." Remember, you're not selling out by sweet-talking your way into her shitter. Some things (especially butt sex) are worth the effort.

Cock Rock

I love to crank the tunes when I lay pipe on my girlfriend. I prefer hard rock because it helps set the tone for some serious balling. It's been a couple of years since I started dating my old lady. She just now told me that she doesn't like having the music on. She says she loses concentration and has a harder time reaching orgasm. Do chicks have to focus to come, or is my girlfriend just not a true fan of AC/DC? —T. R.
Muncie, Indiana

Everyone needs the opportunity for their minds to wander off into la-la land while screwing. It sounds like you're busy living out your *Spinal Tap* fantasy, while your girlfriend is wishing she had a pair of earplugs. Consider your mate's pleasure and turn the music down a little. I'm sure she's much more interested in your rock-hard cock than the throbbing bass line.

Jeanna Fine

The Cannes Film Festival is one of cinema's most prestigious events. *Unfortunately for the fete's organizers,* ***attendees are more interested in Larry Flynt and the porn starlets*** *at the XXX-film awards down the road.*

In the South of France, a cadre of journalists is encamped on the Campanile Nice Airport tarmac, eagerly awaiting the arrival of an international superstar. They smoke cigarettes, check their equipment and exchange hushed observations in their native French. The sun has set, and just across the field of concrete and lights, the Mediterranean swells and smacks against the shore. A private jet touches down and taxis toward them. A trio of twenty-something documentarians ready their lights and cameras as the massive Gulfstream 2 slides up to a small fleet of European minivans. The airplane's door opens, and a burly American pokes his head out. The stairway is lowered. Gold-plated handrails gleam in the white-hot light of the video cameras. "Not right now," the jet-lagged bodyguard growls.The Frenchmen dutifully back away, switching their cameras off—all except for a ballsy videographer who can't resist; he zooms in on the gold-flecked lettering on the jet's shiny, black paint job for one more shot. The text reads, in a bold, unapologetic font, HUSTLER.

Celebrities aren't scarce in Nice this time of year. Every May hundreds of them descend upon the region for the nearby Cannes Film Festival. The 12-day event is the highest-profile international cinema powwow going, and attracts the world's top film talent, especially if they have a movie in the can that needs press. At this upscale shindig, stars such as Nicole Kidman, Billy Bob Thornton and Sean Penn rub elbows with legendary filmmakers, modern-day auteurs, jet-setters, players and moneymen. The organizers of the respected cinema event have handed out their coveted Palm d'Or prize for 53 years running. For the past ten years, the Hot d'Or, a XXX-film awards ceremony, has unofficially coincided with the main film event, much to the dismay of the mainstream film community, who can't stand sharing the limelight with a bunch of porn stars.

Regardless of his association with the so-called low art of pornography, Larry Flynt is treated as royalty. His entourage is whisked through customs; uniformed officials barely glance at the carts of luggage that wheel past them. A gleaming M-class Mercedes awaits, idling at the curb. Flynt, his wife Liz, his bodyguard Doug and HUSTLER Photographer Clive McLean pile into the plush European street machine for the quick jaunt from Nice to Cannes.

Following close behind the Merc in the light freeway traffic, a young Frenchman named Julien maneuvers a minivan dedicated solely to transporting Flynt's

luggage. Inspired by Flynt's presence several cars ahead, the youth pontificates on the subject of smut. "American porn chicks are different from French," he says. "They're either really hot, or really raw." According to Julien, European XXX actresses are usually exquisite. "It's something about their eyes," he says wistfully, adding, "they don't all look like strippers."

Naturally, Julien has a theory as to why Gallic porn sluts are more refined than their American counterparts. French law prohibits porn actresses from having agents (who would be considered pimps); because porn babes manage themselves, they're more savvy, more involved in the business and rarely make themselves out to be victims.

The vehicles slide into Cannes' lamplit streets. Several main thoroughfares are closed off and crawling with festivalgoers and press. Luckily, the Merc and van have special-access decals slapped across their windshields. Policemen wave them past barricades, and the cars nose through the foot traffic to the ritzy Hotel Martinez. "This is nothing," Julien says of the throng. "You should have seen earlier. There was almost a riot. The Cannes people were not happy."

The man responsible for the majority of the headaches inflicted upon the Cannes Film Festival officials is Franck Vardon, the editor and publisher of *Hot Video* magazine, Europe's top-selling porn periodical. The rag is basically one-part HUSTLER and one-part *AVN*. Since 1992, Vardon's publication has been holding their Hot d'Or porn awards in Cannes, during festival week. Earlier in the day, *Hot Video*'s press luncheon was unceremoniously ejected from the Noga Hilton. More than 400 people, including approximately 100 porn stars and directors, were escorted out of the hotel. "We do not want to have that sort of thing in our hotel," said a Hilton official.

The mass of half-naked skin stars and slavering cameramen practically stampeded onto the street, attracting mobs of onlookers. The volatile mix of cops, sex stars and cameras triggered a flashbulb feeding frenzy that devolved into mass confusion. Normally staid Cannes Film Festival attendees pushed and shoved each other in hopes of acquiring better views of the sexualized chaos. One scantily-clad starlet showed bruises that she said came from being manhandled by a policeman who demanded that she and her cohorts disperse, but first copped a feel for himself.

Larry Flynt is *Hot Video*'s guest of honor for 2001. Saluting the famed publisher with a Lifetime Achievement Award is a major coup for Vardon, because

The mass of half-naked skin stars and slavering cameramen practically stampeded onto the street, attracting mobs of onlookers.

Flynt's presence adds political and social relevance to the award ceremony. Already, members of the international press are clamoring for face time with Flynt. If Vardon plays his cards right, the

American smut king's visit to France will generate reams of publicity for *Hot Video*.

The Radisson Hotel is hosting 2001's Hot d'Or ceremonies. Unlike the Royal Hotel and Casino, where the Hot d'Or is traditionally held, the Radisson isn't on the Croisette, the main strip in Cannes and the center of the Cannes Film Festival's gala festivities. The porn awards have been relegated to the back roads of Cannes, up the twisting streets, past the Old World apartment blocks—many of them older than the United States—where the look of the town takes a dramatic turn. The pristine, boutique-lined boulevards of the seaside give way to graffiti-tagged brickwork. One curve reveals a stripped and burnt-out Renault on the side of the road. This is Cannes without the whitewash, and this is where the porn people will meet.

Less than 24 hours to showtime, and construction is still underway for the big event in the Radisson ballroom. Red carpet has been laid out, and the stage is up and lit, but scraps of plywood and strips of plastic litter almost every corner. Bare wires are strewn across the floor. A small office in the hotel serves as *Hot Video*'s center of operations. Harried staff babble into cell phones and walkie-talkies. Room-service plates and glass Evian bottles crowd nearly every flat surface. The room smells of cold french fries and cigarettes. Other than being a bit overweight, Vardon doesn't resemble the average pornmonger. With the fancy talk and fey body language of the typical Frenchman, Vardon gives off more sophisticated airs than the majority of San Fernando Valley smut merchants combined.

The French are famous for their libertarian attitudes toward sex. With the

least provocation, any French porn director will boast of how his countrymen were capturing the sex act on film just moments after the Lumière brothers invented the first motion-picture camera. Why, then, does the Hot d'Or have such a bad rep within Cannes? Could it be that the French are secretly as prudish as the puritan Americans they look down their long, pointy noses at? Not exactly.

In years past, the press often ignored mainstream movie stars for the topless porn babes strutting along the beach. Stealing the attention of the amassed world media with nothing more than a pair of tits was a stroke of genius on Vardon's part, and his antics were generally accepted as part of the circus atmosphere by the Cannes establishment. But this year, pornography is infiltrating and infecting the mainstream event. A screening of *Trouble Everyday* caused two people to faint during a freaky sex scene that portrays a pair of fuckers going cannibalistic. *Le Pornographe* (*The Pornographer*), a mainstream film in competition for a Palm d'Or, stars a popular young XXX starlet named Ovidie. The shaky crossover generates even more press for smutmakers, and killjoys in the so-called respectable film community aren't happy about it. Lax attitudes toward porn are tightening up, especially those belonging to the people who have spent millions of dollars to publicize their films, and the Cannes Festival directors are puckering their sphincters.

The morning of the Hot d'Or, Flynt and company rise late. The hotel's breakfast service is long past over. Fortunately, the staff bends over backward to accommodate Monsieur Le Flynt. Though they're not on the menu, cheeseburgers are brought to the table. Larry washes the beef down with a glass of milk, then flips through a stack of note cards, preparing for a press conference to be held in the hotel's Salon Palisandre meeting room.

Before the main conference, Flynt has scheduled several interviews in his suite. The rooms overlook the seaside and the Croisette. A motorcycle rumbles past, turns back and screeches to a halt in the middle of the street. A leggy brunette dismounts one of the hogs. "Hey, that's Tera Patrick," yells a fan from the hotel balcony. Men with cameras swarm the cycles. The XXX star climbs onto the motorcycle, posing for the paparazzi. Patrick is bathed in the camera flashes. A police vehicle approaches, and Patrick and her entourage zoom away.

This year, pornography is infiltrating and infecting the mainstream event.

Soon Larry's room is overrun with journalists. The cameramen rearrange the living room, pushing the coffee table into a corner. David Chryso of *Hot Video* videotapes an interview with Flynt. Arnaud Lescadieu, the young editor of the new French edition of HUSTLER, brings Lisa Crawford, a leggy, blond smut star, into the room to pose with Larry. The busty, tanned starlet sports high heels and a white-fishnet mini-dress with nothing underneath. Her appearance brings a smile to Flynt's face. Larry reaches for the bottom of the model's dress as she bends over, taking a peek at her bare ass and snatch. "Again, Larry! Again," Lescadieu urges, ordering his photographer to snap a shot of the lascivious pose. Larry graciously obliges.

With the press conference downstairs about to begin, Doug clears the room; Larry and Liz Flynt take a minute to breathe before breaching the fray. Every major news outlet in Europe is present. In the back of the packed room, a raised platform hosts a dozen tripod-mounted cameras. Outside, many journalists are turned away, a number of whom work for porn magazines. Marc Medoff, a regular freelance contributor to HUSTLER, can't get the time of day from the *Hot Video* staff. "They've been doing this to me all week," Medoff complains. "I'm not coming next year unless something changes."

Larry arrives and the swarm of reporters babble all at once. A beautiful Frenchwoman sits next to Flynt, translating for the native crowd. When Larry first cracks a joke, the few English speakers laugh; but as soon as his words roll off the translator's enticing tongue, the audience breaks into hysterics. "She's good," someone observes.

"She works for the Cannes Festival," notes a *Hot Video* staffer. "She's a real pro."

for Flynt. Larry fires his quips back at the microphones in his trademark drawl. Flynt informs reporters that he is continuing his investigation of President Bush, but has encountered some difficulties, mainly due to the code of silence that exists in the Chief Executive's home state. "Bush has got a spin machine that makes Clinton's look like Mary Poppins's.

"He is the dumbest President we have ever had," Flynt continues, which brings much laughter and applause. "He has his father's cronies to prop him up. Eventually he will crumble."

When asked about the current state of pornography, Flynt responds, "There has never been more interest than now. The genie is out of the bottle and, with wireless technology, there is no putting it back in."

A huge Hot d'Or sign hangs behind Mr. Flynt, but not a single journalist has asked a question about the awards ceremony, and no one seems to care, except for the bedraggled *Hot Video* employee who organized the press conference. The exasperated employee throws a softball to Larry, asking what he thinks of Hot d'Or and *Hot Video* magazine.

"One, a young guy, kept trying to lift Dee's skirt up," Steele recounts. "She finally punched him in the face."

Flynt volleys a quick, generic answer back, then closes off the questioning with a gem from his note cards: "The greatest right any nation can give its people is the right to be left alone."

The scene at the awards ceremony is fairly sober. The Radisson's management has asked the ladies to refrain from nudity. Many are clad in long, tasteful cocktail dresses. Even so, cleavage, flashes of leg and a libertine glint to the eye betray the porn babes. Larry and his party are seated at the table of honor with Vardon, his wife Camille (former porn star Tabatha Cash) and American porn legend Sharon Mitchell. Ovidie arrives with her boyfriend in tow; the cute, brunet actress sits at the table with Flynt and immediately receives a call on her cell—another reporter. The fair-skinned 20-year-old has been the hot interview all week. The press and public are fascinated at how she straddles the line between the mainstream and XXX. Or, more likely, after they're done talking to her, they enjoy popping a tape into the VCR and watching her take a 12-inch cock in the ass.

The French excel **in all things fruity.**

While dinner is served, Franck Vardon gloats over the excess of his affair. The buffet spread includes sushi, lobster, prime rib and an astounding array of cheeses and pastries. Vardon, looking well fed, alludes to the chintzy food at this year's *AVN* awards. "Look at me and look at Paul Fishbein," Vardon says, gesturing toward the girlishly thin *AVN* publisher. Fishbein, a table away, misses the jab; he's too busy talking about how he prefers to avoid most of the XXX events when he's in Cannes. "I just went to see the new Coen brothers movie," Fishbein brags.

American porn starlets Sydnee Steele and Serenity retreat to the open-air section of the room for a nicotine fix. The Californians just can't shake their home state's fascist antismoking laws. This is Sydnee's first trip to Cannes, Serenity's seventh. Steele is a bit shell-shocked by the scale and intensity of the Croisette activities. "That was crazy," Steele says of the Noga Hilton press-brunch riot, then marvels at the rudeness of European photographers. "One, a young guy, kept trying to lift Dee's skirt up," Steele recounts. "She finally punched him in the face."

"That's why I always wear pants," Serenity says.

Unlike the marathon *AVN* awards held in Las Vegas every year, the Hot d'Or ceremony—which is simulcast live on television and radio—is quick and painless. Early on, Tera Patrick wins the trophy for Best American Actress. Snatching her prize, the actress runs to Vardon's table and kisses him on the cheek. Fully aware that cameras are capturing the moment, Franck stuffs his napkin in his mouth, act-

PAUL FISHBEIN'S RIVIERA REPORT

AVN's Publisher Gives Hot d'Or a Postmortem

HUSTLER: *How does a big-time porn publisher do Cannes?*

FISHBEIN: *I'm a film buff; so I like to see movies. I have really good connections there; so I get to go to all the screenings.*

HUSTLER: *Did you see anything good?*

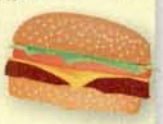
FISHBEIN: *Shrek was the best thing I saw at the festival.*

HUSTLER: *Do you take notes at the Hot d'Or awards and try to steal ideas?*

FISHBEIN: *We're friends with those guys. They kind of copied us. They actually use the same exact award that we used to. They ordered it from our distributor in Philadelphia and still do, even though we've changed the [statuette] and done something a little more modern.*

HUSTLER: *So Hot Video isn't the enemy?*

FISHBEIN: *They kind of act as our sister publication. We're not involved with them financially, but we're friends. It's a cooperative effort; we support what they do, they support what we do.*



HUSTLER: *I heard [Hot Video publisher] Franck Vardon gloat over the food he served at the Hot d'Or gala.*

FISHBEIN: *He may be gloating over the food, but we definitely gloat over the time. Their award show goes on forever. It's still going on. But they definitely get us on the food.*

HUSTLER: *Franck really takes pride in his spread.*

FISHBEIN: *It's hard for us. I think they had 800 people; we had 3,000. It's hard to serve 3,000 people. If you look at the ticket prices though, it's a lot more expensive [in France].*

HUSTLER: *Their show is more expensive to produce?*

FISHBEIN: *[Hot Video] really gets gouged. I feel bad for them, because they're running into a lot of the politics we used to run into. We used to have a hard time getting a place in Vegas. Now in Vegas, they have their hands out and roll out the red carpet.*

HUSTLER: *Who throws better parties, porn or mainstream?*

FISHBEIN: *There aren't too many porn parties. The party that Video Marc Dorcel had with the people that did Le Pornographe was a pretty good party. But I went to parties with New Line and Miramax and stuff like that, and they're all pretty good.*

HUSTLER: *Did you find it easy to get laid in Cannes?*

FISHBEIN: *No. I never try. I'm there for the movies.*

ing flustered and starstruck, as if he'd never touched a porn star before. Apparently, Vardon's prudish masquerading plays well with French porn consumers. Toward the end of the night, Larry is escorted to the stage for his award. The female interpreter from earlier in the day is nowhere to be seen. Upon discovering that she'd translated Flynt's words, the Cannes officials forbade her from moonlighting at the Hot d'Or. A last-minute replacement has a difficult time keeping up with Flynt's acceptance speech.

"I spent the better part of my life being dragged through the courts defending free expression," Flynt tells the crowd of more than 600 people. "People want to work in this industry and get the benefits, but don't want to stand up and be counted. Everyone has to be willing to fight. If it's not worth going to jail for, it's not worth very much. You have the right to offend people. That's what free speech is all about."

Soon after snagging his award, Larry, along with Liz and Doug, takes the limo back to the hotel.

The official afterparty is at the Whisky-A-Go-Go. Not surprisingly, the crowd is 99% sausage. Dolly Golden, wearing a gold-lamé dress split down the front that reveals much of her preternaturally large tits, is cloistered in a roped-off area with a handful of babes while French mooks crowd the dance floor. Techno music blares on the sound system, and champagne flows from the bar. At first glance, there's not a beer in the house, but beneath the bar is a small stash of warm Fosters' at 90 francs ($12 in U.S. currency) a pop. Suds-craving Americans dish out the cash. The festivities continue well past dawn, when the action moves into hotel rooms, where the no-skin rules are moot. Around eight in the morning, British porn star Mark Davis, known among his always-satisfied costars as an "oral prince," and T. J. Hart stop at an ATM to refill their coffers. The tall, blond Hart still looks great, despite having spent the entire evening boozing and dancing. "I won for my first anal scene," Hart crows.

Vardon and cronies *make a show of their ejection.*

"Everyone has to be willing to fight. If it's not worth going to jail for, it's not worth very much."

"I won four out of five nominations here," Davis, an obvious French favorite, adds. "At *AVN* I could get 13 nominations and not win one."

Their work in France done, Flynt and company make a break for the airport. The jet is fueled and ready. One of the cameramen who had been on the runway when the HUSTLER jet first arrived meets them on the tarmac. The video journalist, looking for the TV-news equivalent of a money-shot, has convinced Doug to let him board the jet and hitch a ride to London. After takeoff, Larry sits down for one last interview, at home in the lush interior of his private jet. The plane's other passengers slump into their seats and let their eyes close as Cannes drifts away to the south.

Breakfast is at the Ritz in London. Buckingham Palace is spitting distance from the hotel, and all the English flunkies act as if they themselves are the royal family. The uptight Brits refused Flynt dinner service because he refused to meet the joint's strict dress code. Today, Larry has thrown a jacket over his shirt. Doug hasn't bothered; his thick arms jut from his HUSTLER T-shirt. A barbed-wire tattoo peeks out from one sleeve. Stuck-up waiters sneer at the table through inferior dentitions, but don't dare say anything. The meal doubles as a business meeting; Larry is dining with a powerful European magazine and video distributor. His visit to France had as much to do with the expansion of his empire as with his Hot d'Or trophy. Flynt discusses plans to continue spreading the HUSTLER name throughout Europe. He happily finishes his breakfast and says, not just to the table, but to the entire continent, "HUSTLER is an idea whose time has come."

"I'm sorry, ma'am, but you need to ***bring that fine-ass booty over here."***

Little Johnny had been waiting a long time to sit on St. Nick's lap. When his turn came, the tyke enthusiastically clambered onto the department-store Santa's knee. "I bet you'd like a puppy for Christmas," chortled the man in red, pinching Johnny's freckled cheeks.

"Nope," Johnny chirped.

"Well," said the rent-a-Santa as he tweaked Johnny's chin with his fingers, "how about a kitten?"

"*Uh-uh*," Johnny replied, shaking his head.

"Goodness," Santa teased, tickling Johnny's button nose. "Then what do you want for Christmas?"

"I want some pussy!" Johnny announced.

Santa gasped, "I don't have any of that."

"Bullshit," Johnny snapped, twisting St. Nick's gin-blossomed schnozz. "I can smell it on your fingers!"

EROTOMANIA

FANTASY FUCKS WITH NIGHTMARE ENDINGS

REPORT BY **JONATHAN BROWN**
ILLUSTRATION BY **JORDAN CRANE**

Erotomanics are consumed with delusions that ***a celebrity, doctor or other prominent person is madly in love with them.*** *When they attempt to consummate their imaginary relationships,* ***real-world terror ensues.***

Erotomania

"Ben Affleck is madly in love with me," says Claudia, a 28-year-old telecommunications specialist who declines to reveal her last name. "We are the hottest couple in Hollywood. He is head over heels for me. I know that I turn him on like no other woman.

"We do our laundry at the same cleaners," she continues. "And the wild thing is that I always come back with my panties missing. I know for a fact that he has them. I can see him wearing my panties on his head at night and smelling them—he loves the way I smell."

Unfortunately for the self-proclaimed sex object, Affleck, in all likelihood, has no idea who she is. Unless Affleck truly is a panty thief, Claudia suffers from de Clérambault's syndrome, a psychological disorder also known as *erotomania*. (Affleck was not available for comment.)

"Erotomania is a sudden, explosive condition, where a delusional person believes that someone older or of a higher social status—a public figure in politics, on the radio, screen, stage or television—is in love with them," explains Zvi Lothane, a clinical associate professor of psychiatry at Mount Sinai School of Medicine. "They don't ask [the target] if it is true; they feel it, they know it."

Gaetan Gatian de Clérambault, a French physician, was one of the first to study the disorder thoroughly. In 1921, he described five cases, one in which a 53-year-old woman was convinced that King George V was madly in love with her. She believed that sailors were the king's emissaries sent to proclaim his love. Once, while pining for His Majesty, the deranged Frenchwoman interpreted the movement of a curtain as a secret message from him.

"These imagined affairs might erupt suddenly. From then on, irrationality, obsession, paranoia and psychotic tendencies typically color actions taken in the real world."

"The afflicted believes that the object of his or her desire reciprocates these feelings, often through a series of subtle codes and gestures, which are invisible to others," explains Dr. Rick Galin, a psychiatrist from Northern Washington. "These imagined affairs might erupt suddenly with years of back-story intact. From then on, irrationality, obsession, paranoia and psychotic tendencies typically color actions taken in the real world."

Margaret Mary Ray, one particularly well-known example of erotomania, believed that David Letterman spoke to her through his late-night television show. In 1988, Ray broke into Letterman's Connecticut home and, with her three-year-old son in tow, took the comedian's Porsche for a joy ride. Ray drove to the Lincoln Tunnel, where she didn't have the three dollars to pay the toll. When police arrested Ray, she reportedly told the officers that she was Mrs. David Letterman and that her son was Letterman's offspring. Over the course of five years, Ray was arrested eight more times for trespassing and breaking into Letterman's house.

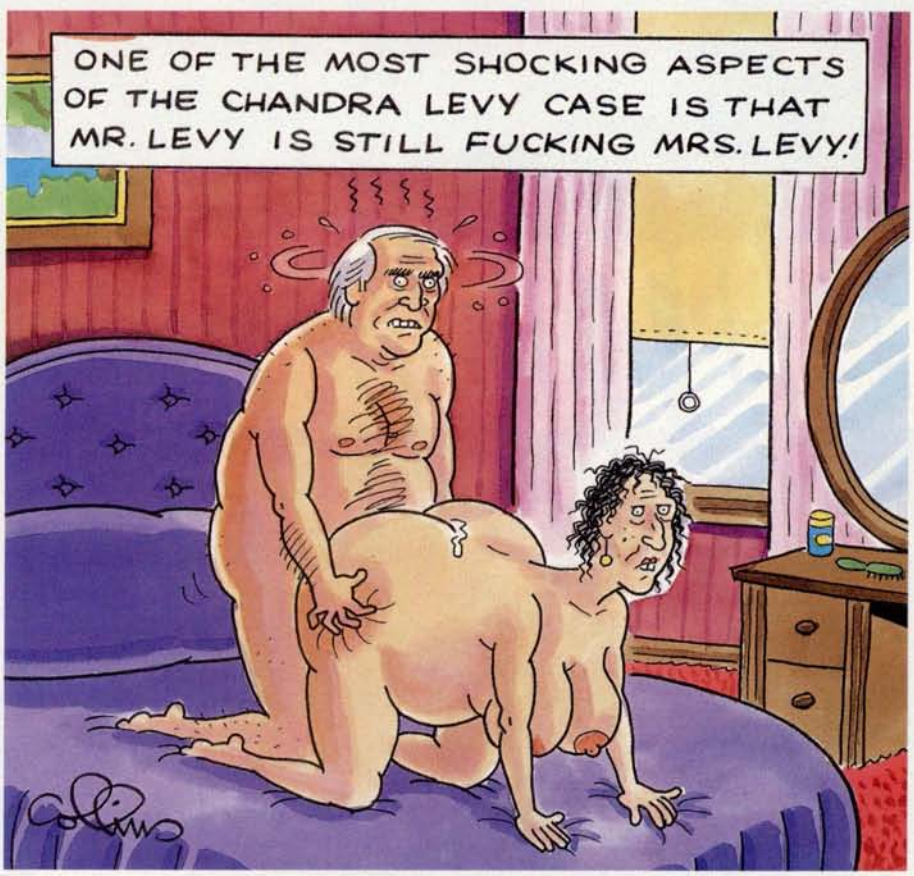
Claudia, Ben Affleck's would-be lover, also claims that her object of obsession speaks to her through nontraditional methods. "I knew [Affleck] was in love with me ever since I first discovered him in *Good Will Hunting*. Do you remember the scene in the bar where he ends up going home alone? He did it because I was there watching him, because he loves me and respects me, and he wouldn't want to hurt my feelings. Ben always communicates with me in all of his movies. The reason he is not married yet is because he is marrying me."

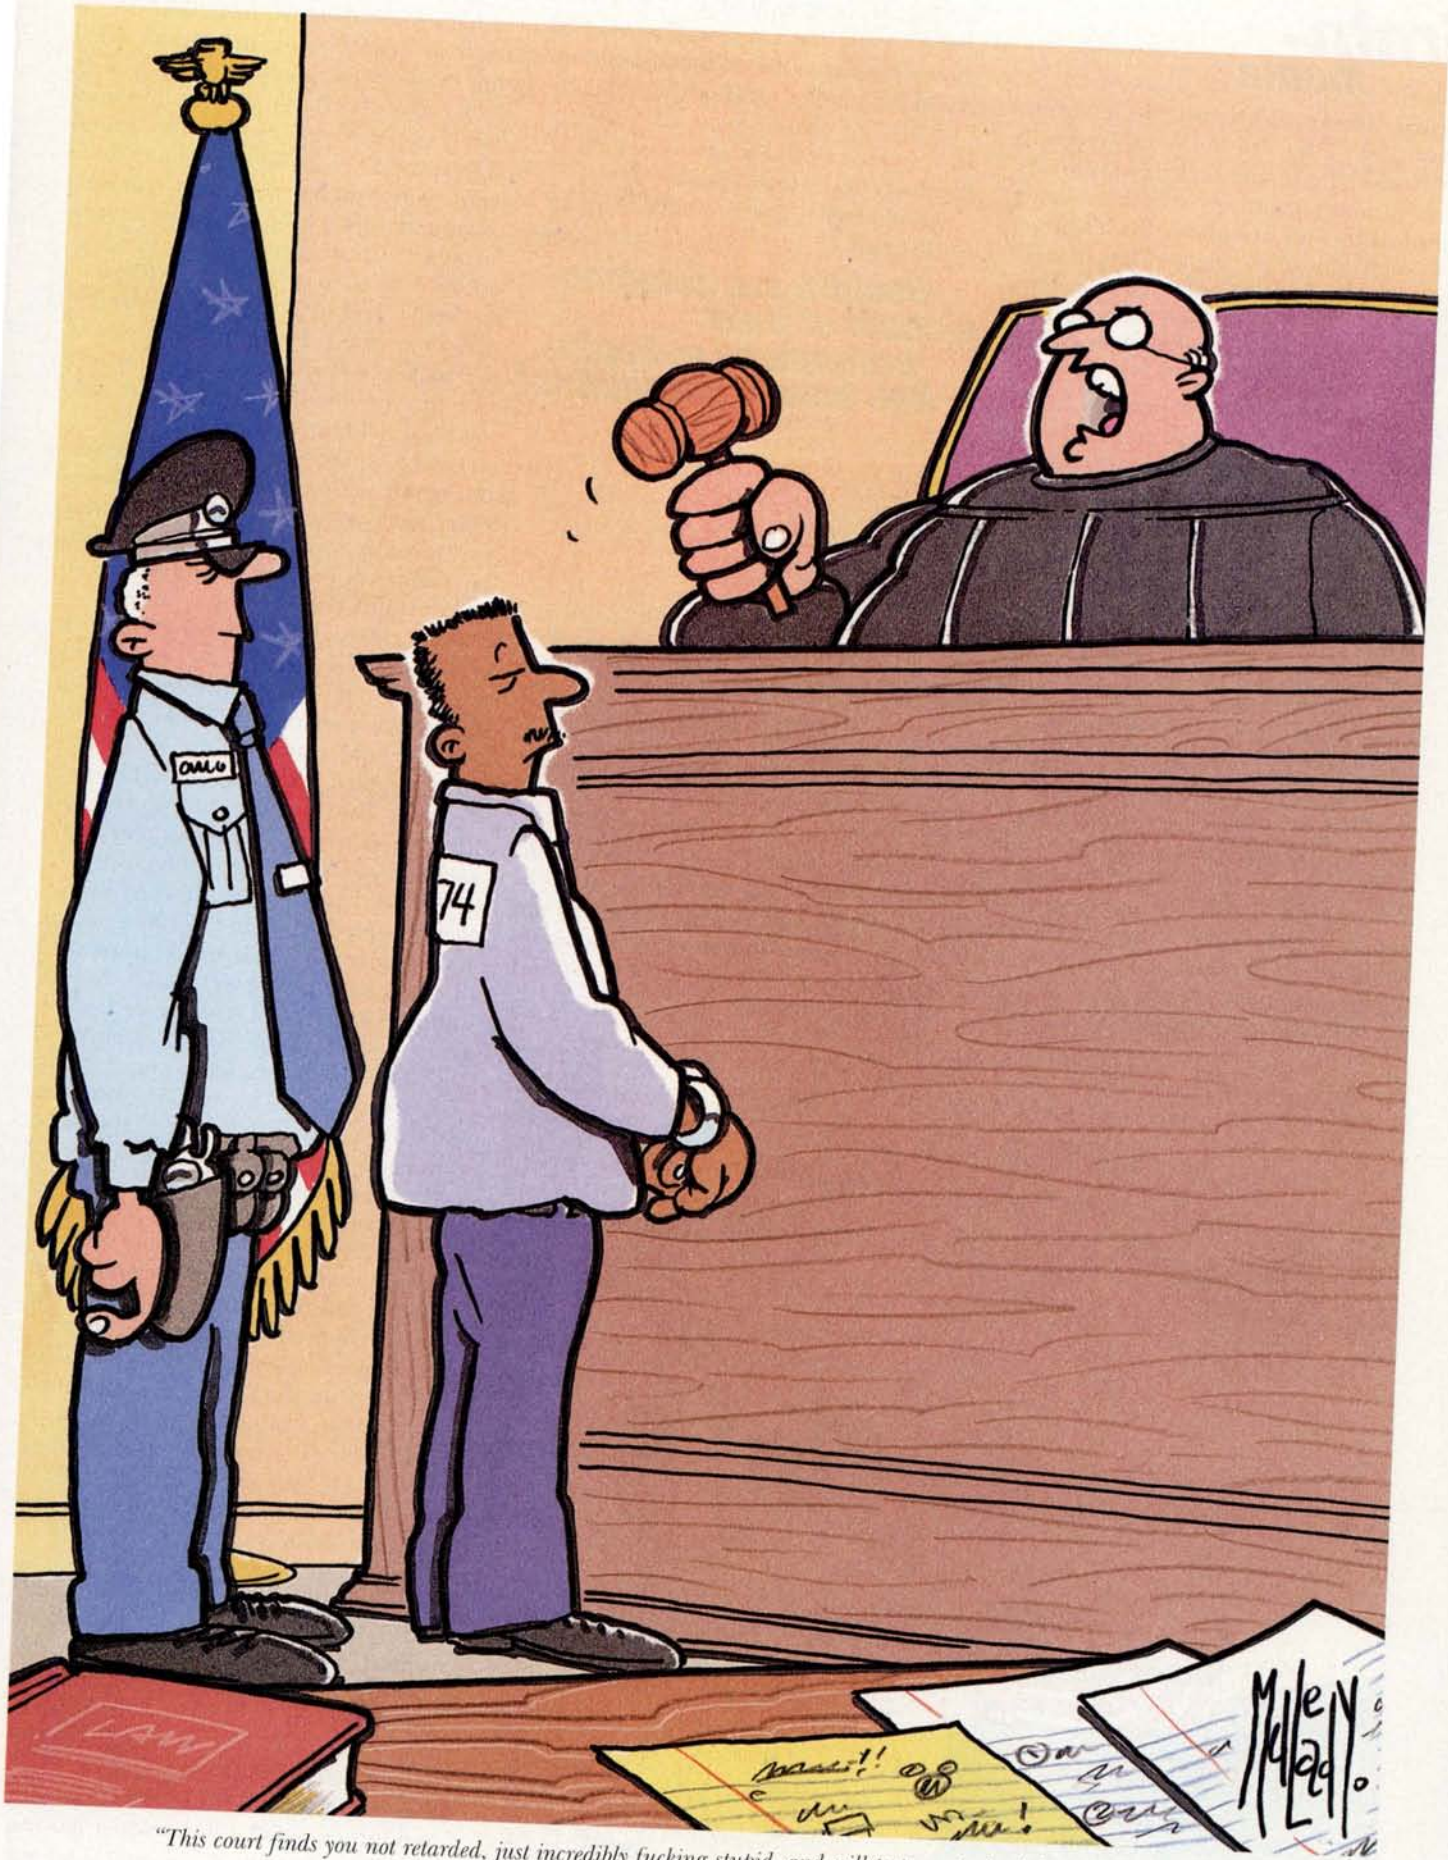
Although erotomania has been known about for over a century, the American psychiatric community did not officially recognize the disorder until the '80s. While there is no hard data on the number of erotomanics that exist, high-profile cases involving celebrities appear to be increasing. Our star-obsessed culture, with its images of the rich and famous inundating billboards, celluloid, cereal boxes and computer screens, seems to be begging for an erotomanic epidemic.

"Erotomania stems from a poor sense of identity," says Dr. Galin, "and it is in the interest of Hollywood to create desire and obsession with images of celebrities."

"Hollywood fabricates desire," agrees Mount Sinai School of Medicine's Lothane. "I remember a girl who was convinced Shaun Cassidy was in love with her, but Shaun Cassidy was a teenage movie idol; so this was a direct Hollywood creation. They created that idol for her, and she clung to it with all the stickiness of a maniac."

While many would-be groupies conjure their fantasy fucks as they fondle their star-hungry genitalia, erotomanics often confuse mind's-eye masturbation material with reality. "When I think of





"This court finds you not retarded, just incredibly fucking stupid, and will put you to death by lethal injection."

Erotomania

[Ben Affleck], all I want to do is masturbate, and I do—all the time," recounts Claudia. "I take breaks in the day to jerk off to him fucking my mouth or being fucked by him from behind while I get to suck off his best friend, Matt Damon. I know he is crazy over me too. They both love to do me from time to time, and I love to get fucked by the two sexiest men in Hollywood."

Cynthia (not her real name), a 28-year-old waitress and Rod Stewart fanatic living in Casper, Wyoming, also focuses her masturbatory cogitations on her celebrity obsession.

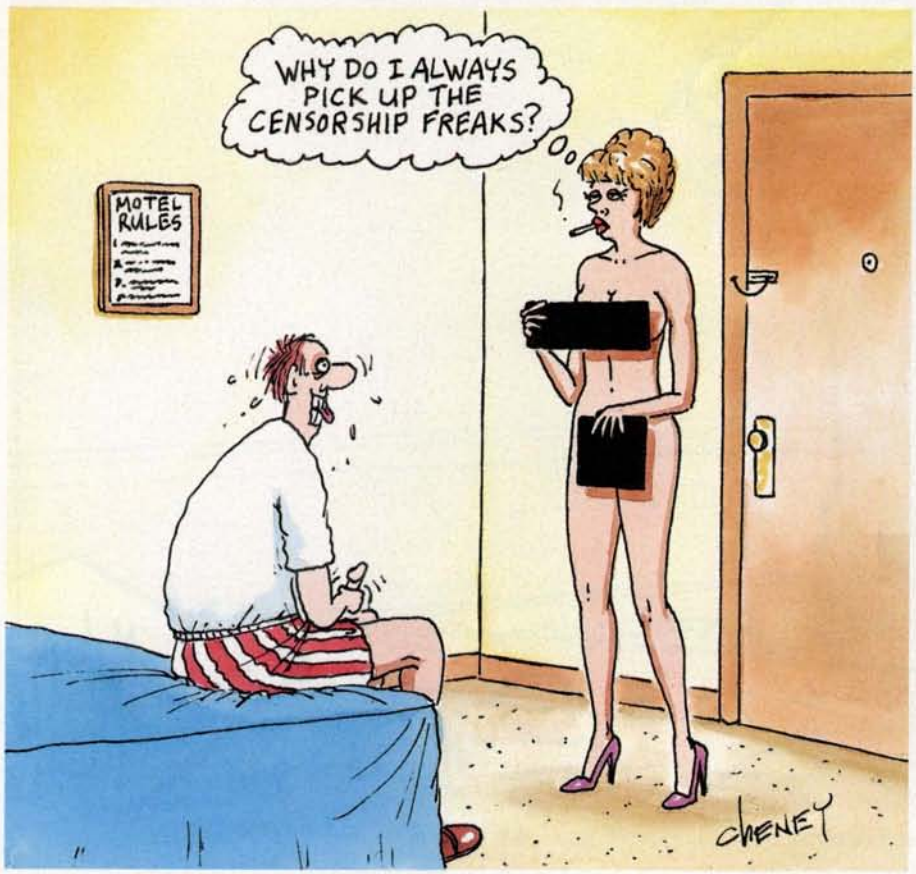
"I have this life-size picture of [Stewart] on my ceiling," says Cynthia. "I look at him when I use my vibrator. [When I envision him], he flies me out to his house in Hollywood. We sit by the pool and have sex. He likes to do it doggy-style. He likes his feet rubbed—and I hate feet—but I'll put his feet in my mouth and lick them, rub them. I'll do anything he wants. He's really good at oral sex. He likes me to kiss his ass. If he died, I'd buy his bones and fuck them."

Cynthia's fantasies are not that different from those of any typical female fan, except that Cynthia believes that the feelings she has for her favorite rock star are mutual. "I was born for him—he can feel me. My boyfriend of six years knows that I'll leave him in a second when Rod comes for me. I haven't had children yet—I am waiting for [Rod]. Rod knows I [exist], but doesn't know where I am. He's written lots of songs for me; 'The Rhythm of My Heart' is one."

Arnold Steifel, Rod Stewart's manager for the past 18 years, says, "Rod's never played Casper, Wyoming." This doesn't daunt Cynthia, who insists that Stewart reaches out to her via other means.

Doctors are common victims of their erotomanic patients. One female psychiatrist was stalked for more than eight years by a female patient who was convinced that she was her lesbian lover.

"I met a girl who met Rod and touched him, and I wouldn't let go of her hand. I put it to my breasts; this was his way of touching me through someone else. It was destiny to meet that girl who touched him."



Because erotomanics focus on people of higher social status, their disorder is tricky to treat; doctors are common victims of their erotomanic patients. In her book *I Know You Really Love Me*, psychiatrist Doreen Orion details the living nightmare of being stalked for more than eight years by a female patient who was convinced that Orion was her lesbian lover. The deluded patient followed her doctor from state to state, contacting her endlessly. "It is, in fact, due to the danger that Fran [the pseudonym Orion gives her stalker] will always pose in our lives that [my husband] and I will probably not have children," writes Orion.

Gynecologists are also a favorite victim group of erotomanics, who misinterpret gynecological exams as romantic overtures. Bosses are likewise in particular danger of becoming the focus of an erotomanic's delusions.

Unfortunately, identifying an erotomanic can be difficult, and the disorder is probably more underdiagnosed than most mental afflictions. "Very rarely are these people married," notes Dr. Jonathan Segal, a Palo Alto, California, psychiatrist. "And because they don't think anything is wrong with them, they don't seek professional help [on their own]."

Anyone could be hiding their erotomania behind a serene exterior—even a mild-mannered movie-house employee. "I was cleaning ashtrays at the theater and decided to have a smoke and, without asking, Winona Ryder came over and lit my cigarette," says James, a 23-year-old cashier at a Los Angeles, California, movie theater. "She had those longing eyes, and there was definitely a romantic interest. I know we'll meet again; it's just a matter of time. I know she's been thinking about me."

Oddly, with erotomanics, the obsession itself is often more important than who they are obsessed with. In fact, erotomanics will often only stop fixating on someone when they find a new object to fulfill their pathological needs. According to J. Reid Meloy, a forensic psychologist and editor of *The Psychology of Stalking: Clinical and Forensic Perspectives*, "Erotomanics can engage in either concurrent or sequential pursuit [of their love objects]."

After stalking Letterman for many years, Margaret Ray turned her sights to former astronaut Dr. Story Musgrave. Convinced that Musgrave telepathically impregnated her, Ray sent endless letters to Musgrave's Florida home and called him repeatedly. On September 25, 1997, Ray journeyed to Musgrave's residence and turned on all of his outdoor faucets, drenching herself. A *(continued on page 104)*

Erotomania

(continued from page 94) year later, Ray finally ended her life of stalking when she committed suicide by kneeling in front of an oncoming train.

James, Winona Ryder's alleged love interest, also plays the imaginary field. "Rose McGowan and Marilyn Manson came to the theater. They wanted to have a threesome with me. Rose bought popcorn off me—she just happened to go to the bathroom twice during the same movie. She left Marilyn alone—she came out to see me and was flaunting her essence for me. I knew their relationship wouldn't last; after she met me in the flesh, she broke up with Marilyn two weeks later. I was the deciding factor. I first saw her in *Doom Generation*; within the first few seconds, she was communicating directly to me. I told myself I was going to meet her and have a love affair. There's a mutual cosmic attraction."

James might not so much be feeling the effects of a mutual cosmic attraction as the need to develop a peer group and some hobbies. "Oftentimes erotomanics live alone and don't have much of an active social life," explains forensic psychologist Meloy. "They tend to spend a lot of time in fantasy and, in some cases, that fantasy becomes psychotic—there's a complete break from reality, and they create their own private internal reality."

A more disturbing possibility is that James is repressing a lust for lads. "In men, [erotomania can be] a mechanism to mask homosexual tendencies," says Dr. Galin, the psychiatrist. "If someone doubts their masculinity, if they have homosexual feelings that are unacceptable and terrify them, they can deal with those by deluding themselves into thinking a very visible woman is obsessed with them."

Agostino P'omato traveled from Italy to Los Angeles in an attempt to marry Sharon Stone. Instead of finding himself at the altar, P'omato was carted off to a mental hospital after showing up at her residence.

While James may exhibit clear erotomanic (or latent homo) tendencies, he has yet to try living out his fantasy flames in the public arena known as reality. The same cannot be said for Agostino P'omato, who traveled from Italy to Los Angeles in an attempt to marry Sharon Stone in 2001. Instead of finding himself at the altar, P'omato, who may have interpreted Stone's spread thighs in *Basic Instinct* as a marriage proposal, was carted off to a mental hospital after showing up at her residence.

Matthew E. Hooker also went a-courtin' to the home of a famous woman to no avail. According to court testimony, he repeatedly visited Nicole Kidman's Hollywood residence and contacted her employees. On May 8, 2001, the 40-year-old Hooker was issued a temporary restraining order.

"I wrote her a love poem," said Hooker at a recent court hearing. Hooker is not only a self-described poet, but also an actor, director, screenwriter, composer, recording artist, songwriter, producer and 2004 Presidential candidate. "I wrote her a letter. I went by her house and asked to take her to the ballet and take her kids out for ice cream. That's it. There's no problem here. I've never harassed or stalked anyone." The deranged Renaissance man claims the *Moulin Rouge* star initiated the romance by flirting with him at a Borders bookstore and is "playing hard to get." ("I am no mania, no eroto," said Hooker before declining to be interviewed. Kidman, through her representatives, also refused to speak to HUSTLER.)

Meloy, the forensic psychologist, coined the term "borderline erotomanic" to describe "a disorder whereby a person forms a very intense preoccupied attachment to another person, and they are fantastically in love with that other person, but they don't necessarily believe that that other person loves them."

Borderline erotomanics can be more dangerous than someone with full-on delusions, because they realize that their only chance of obtaining their love objects is to impress them in the real world.

John Hinckley Jr. is the most famous example of what many experts consider borderline erotomania. Although he never believed that Jodie Foster was in love with him, Hinckley figured that, if only he wrote her enough poems and assassinated then-President Reagan, she could be made to love him.

Full-on erotomanics may eventually attempt to meet their make-believe lovers. "I know he will go to *Vanity Fair*'s Oscar party, and I am going to go too," says Affleck's soon-to-be not-so-secret admirer, Claudia. "And when I see him at the party, he is going to come up to me and kiss me, take me to the bathroom and eat me out, and then he will introduce me to (continued on page 110)

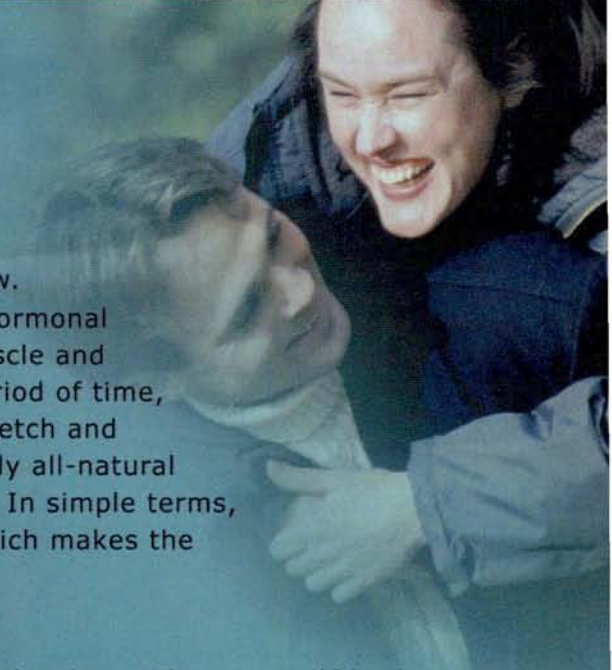
Natural Male Enhancement

ENZYTE™



Medical and Scientific Breakthrough

Enzyte was developed by Dr. Fredrick Thomkins, a physican with a biology degree from Stanford and Dr. Michael Moore, a leading urologist from Harvard. The two collaborated for 13 years studying human blood flow. They concluded that with the right hormonal stimuli, blood can be forced into muscle and tissue chambers, and that over a period of time, these chambers will substantially stretch and elongate.The result is the world's only all-natural supplement for penile enhancement. In simple terms, Enzyte is a blood flow stimulator, which makes the most of your natural potential.

"Of course I was skeptical, but the results are phenomenal Enzyte is the real deal!"
S. Hamilton
Louisville, KY

How it Works

The penis is made of two erectile tissue chambers. When aroused,blood flows into these chambers, producing an erection. The more blood that is pumped into them, the larger you will be. The active ingredients in Enzyte naturally push more blood into the chambers. Over time, as the chambers stretch, more and more blood will be forced in, creating substantial growth in both length and roundness. Over the the course of the 8 month program, your erectile chambers, as well as your penis, will enlarge up to 41%.

The first all-natural male enhancement program that adds two to three inches to your size in just eight months or get double your money back.*

"Absolutely unbelievable! I would recommend it to anyone."

Maximize your love life

In a recent survey, 87% of women secretly revealed that they wouldn't mind if their partner had added size. Enzyte can take you there.

100% Safe with a 98.3% Success Rate

Enzyte is as safe to take as a daily vitamin with absolutely no side effects. Simply take two capsules each morning.

Erotomania

(continued from page 104) every one of his friends as the woman of his dreams."

Instead of waiting to run into the man of her dreams at some Hollywood party, Athena Rolando took a proactive approach to fulfilling her delusions. On January 7, 1999, wearing nothing but a nightgown and fuzzy, pink bunny slippers, Rolando scaled the eight-foot fence of Brad Pitt's estate in the Santa Monica Mountains. After rifling through Pitt's wardrobe, the 19-year-old aspiring actress settled into a pair of sweatpants, a sweatshirt, a hat and shoes, and fell asleep in the actor's bed. Rolando was in Pitt's home for ten hours before she was arrested. She later told police that "voices" summoned her to the actor's home.

"Everything is going to be fine," the thespian-turned-stalker told reporters after being ordered to never contact or come within 100 yards of Pitt. "This is just another fact of life. I believe [the court order] invaded some of my amendments. I'd actually like to file a restraining order against Mr. Pitt himself, to stay away from me."

The Kidman-lusting Hooker also feels that he is the victim of stalking by the very person he is accused of harassing. Hooker not only thinks that Nicole Kidman is pursuing him, he believes Ben Affleck is as well. (There's apparently something about Affleck that makes him an erotomanic magnet.)

"Why is Ben Affleck stalking me and following me?" asks Hooker on his Web site, BeautifulButDangerous.com. "In the two months after I met Nicole, I caught him following or stalking me five times: three times on the streets in Santa Monica, once on the hiking trail near Nicole's home, and once, on May 8, he, or someone who looks a lot like him, followed me into the men's room at my office and, dressed like a Frenchman, with a 'pencil' or 'toothbrush' mustache, and a French shirt on, simply looked at me, smiled and waved goodbye and said 'sorry.'

"In their delusional blurring of boundaries, erotomanics often perceive themselves as both pursued and persecuted by their victims."

"I wonder if Ben is involved in the false allegations against me, so that he can attempt to steal the male lead in *The Activist* [a film Hooker has written and hopes to direct and star in] from me, so that he can ruin my reputation with leading actresses like Gwyneth Paltrow, or as a kind of anticipatory retribution, since he knew I was soon to go public with the truth that the original idea for *Good Will Hunting*, the film that made Ben and Matt Damon stars, was my idea and it was stolen from me."

Hooker seems to suffer from false victimization syndrome, which often goes hand in hand with stalking. In *I Know You Really Love Me*, Orion writes, "In their delusional blurring of boundaries, erotomanics often perceive themselves as both pursued and persecuted by their victims."

In 1990, as a direct result of the 1989 murder of *My Sister Sam* star Rebecca Schaeffer by obsessed fan Robert John Bardo, celebrity-centric California became the first state to enact an anti-stalking law. Less than a year later, the Los Angeles Police Department created the Threat Management Unit to deal with stalking and harassment cases. By 1993, all 50 states had some form of anti-stalking legislation.

The criminalization of stalking failed to deter Robert Hoskins, who in 1995 attempted to turn his unrequited love into violence. For weeks, the bearlike man with pasty skin and an unkempt beard peered through binoculars and watched Madonna's every move. Eventually, Hoskins scaled the wall of the diva's estate and threatened to "slice her throat from ear to ear" if she didn't marry him. The overly tenacious suitor, who subsequently received a ten-year sentence, repeatedly claimed the singer was his wife and scrawled the words "Madonna love me" and "I love Madonna" on his jail-cell wall.

Hoskins also wrote "The Madonna Stalker" on his wall, proud of his unauthorized association with the Material Girl. Hoskins, Hinckley, Hooker and Rolando are all now forever linked in the public's consciousness with their famous victims and have, in their own way, become minor celebrities.

Rolando, now known as the Brad Pitt Stalker, was even featured in *Celebrity Sleuth*, a magazine devoted to showing nude and seminude photos of celebrities and semicelebrities. Perhaps someday Rolando will achieve her dreams and become a movie star—and then she may be lucky enough to have her own erotomanics to deal with.

"Thank you for the embryo donation, Congressman Condit. Any luck finding that missing intern of yours?"

Dorinda came, kicking like a mule. I pried my browned rod from her spasming butthole and let her heaving cheeks fondle my balls.

(continued from page 51) Dorinda's voluminous booty and shoved my rock-hard shaft further into her fudge pipe, making the bitch yelp with joy. As her frame bobbed back and forth, Dorinda clumsily ran her toothbrushes toward her crotch again, then pressed them into my hands with a feminine grunt.

The toys at my disposal opened up a new avenue of exploration—namely, Dorinda's cunt. I kept banging milady's pooper, but diddled her clit with the two bristly, rotating heads. Seeing Dorinda jerk her shoulders reflexively at my ministrations, bouncing up and down and hooting like an ape in a cage, I decided to crank her up a notch.

I flipped the left brush around and shoved the handle into her quivering hole, letting it vibrate against the thin wall separating her front and back pits.

Dorinda is a white girl, but I swear she began speaking Zulu when I dipped the second handle into her snatch. With both pipes filled, her entire sexual apparatus shuddered like an overtaxed sump pump, which did wonders for me as well. The double-stuffed tramp's sphincters began to convulse around the base of my dick in time to her incoherent yammering.

Dorinda mashed her face into a pillow, still running at the mouth. Her clammy hands gripped mine between her legs. At first I thought she wanted me to shove the magic wands deeper, but with what little motor control she could muster, she was pulling my hands up to her undulating fun bags.

I took the hint. Her viselike bunghole tightened on my prick when I danced the scrubbing heads across her thick nips. Muffled cries of encouragement made me push the brushes firmly into her floppy masses, grinding them into her chest until the motors sputtered. The one in my right hand gave out completely, its battery dead.

As close as I was to splooging, I wasn't going to let a technical malfunction slow us down. Dropping the tools, I grabbed Dorinda's stiffened udders and kneaded them manually. I let her left tit go long enough to give her ass a good smack, which set my Dorinda off.

She came, kicking like a mule. I pried my browned rod from her spasming butthole and let her heaving cheeks fondle my balls. Dorinda's fuckhole closed, then convulsed open again. Her crotch resembled a boiling pot of thick soup. Random jiggles and bubbles erupted everywhere.

The sight of Dorinda's percolating cunt sent me over. I fired a tremendous load into the back of her head.

Speaking as somebody who has paid his debt to society, the freedoms to be enjoyed by living within the law far outweigh the transitory benefits of crime, even the violent varieties. If all prisoners were given an ass whore with big jugs and an electric toothbrush upon their release, recidivism rates would tumble. I do, however, recommend that novices find a brush with soft bristles, and never use anything stiffer than medium.

The Greatest Penetration

I'm 77 and virile. That peckerwood Tom Brokaw ought to stop calling us "The Greatest Generation." He's only half right: Women my age weren't ever worth a good goddamn. While I was dodging a bullet on Omaha Beach, the treasonous cunts at home who weren't getting the clap at a USO dance were sucking 4-F cock for gas coupons.

Overseas, we had nothing but dimwitted, horse-faced WACs with lipstick on their teeth and gap-toothed limey girls covered in puke. None of these human stool samples would so much as touch your pud for less than a month's pay. And when I made it to France, I'd have killed all those foul Resistance girls on sight, except the dead ones stank worse.

No, give me a girl like my Bryanna. She's a fresh-faced 19-year-old, with that spiky pink hair the kids like to wear these days. Bree has no shame at all, and her sweet, firm flesh almost makes up for my wartime woes. Most mornings, I wake up to her tongue stud in my ear and her hand on my balls. I'm hard before my eyes open; I roll on top of her and dip my wick in a hot, shaved little box that's never, ever dry. She loves to wrap her smooth legs around mine and work the muscles of her youthful snapper on my steel-hard pecker.

After I shoot my spunk, Bree uses her marvelous little mouth to bring my stiffie back to life. It doesn't always work, but more often than not I blast her one in the face, coming twice before breakfast.

After a shower, an English muffin, maybe a game show (continued on page 127)

Most mornings, I wake up to Bree's hand on my balls. I roll on top of her and dip my wick in a hot, shaved little box that's never, ever dry.

(continued from page 119) and a nap, we're screwing again. Despite my 60-year head start, the girl has had almost as many partners as I have, and she wasn't even around in the '70s! There's nothing like rimming a young lady who's been around the block and knows how to rim you back. The tongue stud is maybe the best thing ever invented for ass-licking. I guess I'm old-fashioned though; I don't want to poke holes in my tongue just to bring a girl off. I let Bryanna do me with her stud, but I only use my taste buds and the stub end of a ballpoint pen on her monkey button.

Bree is the most loyal little darling ever. She liked my Semper Fi tattoo so much, she went and got one just like it. She also put "Abandon All Hope, Ye Who Enter Here" just above her crap-hole, but she isn't serious. My raging johnson has pried open her poop chute more often than shit has.

All that guff about anal sex ripping a girl's rosebud to hell is just an old wives' tale; Bryanna says that a 19-year-old who can fist herself back there has nothing to fear from an old man's cock. Modern girls learn all this stuff in school, I suppose.

Ass-banging afternoons are common, but I never know what to expect. Bryanna likes to 69; I can't say mutual oral sex is my favorite position. I prefer to drip hot wax on her soft ass while she blows me and eat her pussy after I come in her mouth. Her shaved mound is so sweet, I like to give it an uninterrupted half hour. My doctor wants me to kick sugar; so I usually have a slice of my best girl's pie instead of Sara Lee's. Like they say on the boob tube, there's no equal.

Bryanna's fuck sockets are usually worn out after dinner; so a typical evening involves pay-per-view porn and a little bit of leather. I like movies with barely-legal tail such as Gauge and Anne Howe—they don't resemble Bree in the face so much as in the body. If I'd known when I stormed the beach in France that someday I'd be able to spear my prick into a 19-year-old coochie while girls who looked the same age were being boned on a big-screen TV, making it seem like I was in my easy chair and at an orgy at the same time, I'd have fought harder.

My sweetheart claims she's into bondage, but I never tie her to the wall very securely, and the little fibber never seems to complain. It's really the sight of the whip that Bryanna creams for; so I've never left so much as a mark on her tender back, hips and chest. I try to be rough and fuck her with the whip handle, but most of the time she's hanging on the wall, I just threaten her. We cuddle while she's bound, until I pick an orifice on her toothsome body and bang the hell out of it.

After that, the day's pretty much over except for *Diagnosis Murder*. Sometimes, when my cutie-pie's curled up with her face in my lap, I whip out my wiener and bat it against her face until her mouth opens like a baby bird's. Even when she's snoozing I can fuck her skull a bit and tweak her pierced right bosom, and she'll bring me to climax in her sleep. That's the kind of girl you keep in the house.

Depending on the day of the week, I'll give Bree a bath before bed. It's a wonder I don't slip a disc, soaping us both up and slipping my cock inside her rosy pussy lips like I do. Wet skin tends to scratch easier, and Bryanna's clawed the bejeezus out of my back a few times. Making it in eight inches of water is a good way to catch a chill too; I'm glad Mother isn't alive to worry.

After bath time I douche my little hellcat. I don't trust her to take precautions, and the poor thing's much too young (and I'm too old) to be saddled with a kid. Bree really enjoys it when I put anything into her pert muffin; so everybody's happy.

Sometimes the difference in our ages causes her a small embarrassment, like when we realized that, by odd coincidence, I'd banged her grandmother out in Frisco in '63. But we did the math and determined that Doris had been legal for several months; so Bree doesn't hold the dalliance against me. The little romantic wants to be in a threeway with me and Grandma, but the idea of sex with a woman only 20 years my junior turns my stomach. Where does she get these ideas?

At my age, the only real pleasures available are watching the cold, ugly dames I grew up with die off, and, of course, nookie. With prime skirt like Bryanna to keep me young, I expect to live another 30 years. You can take your Greatest Generation, Mr. Brokaw—take your whole straitlaced 20th century, in fact—and stuff it up your goddamn wazoo.

Clinically-Tested, Women-Approved 100% Natural Longitude Capsules- The ONLY Penis Enlargement Capsules That Really Work.

The Original LONGITUDE PENIS ENLARGEMENT CAPSULES: Over 100,000 Bottles Sold Every Month

When it comes to Penis Enlargement, you have several options, but only one answer... The Original Longitude Penis Enlargement Capsules, Here's Why:

Longitude VS. Pumps and Weights

The first thing that comes to mind when I think of Penis Pumps, is that Austin Powers movie. I mean really... what would you do if your lover stumbled upon your pump? How embarrassed would you be?

Not to take anything away from pumps- some men do say they work, but I've also heard that it is painful to have your penis being sucked down a clear plastic tube. And remember, every time you use it, you have to spend time cleaning it.

Pumps can cost up to $150 or more, and as you can imagine, the more you spend, the better your results. But I still think you can do better with Longitude.

And what about Hanging-Weights... OUCH! If you think strapping a few pounds of metal around your penis is fun, count me out. Not only is it painful, it's STUPID, you can do a ton of damage to your penile ligaments. Don't be surprised when you get giant, nasty bruises on your penis that are so painful, you won't even be able to get an erection. Pass on the pumps and weights.

Longitude VS. Invasive Surgery

Ever since hearing about what happened to my college buddy Marcus, I advise everyone I care about to stay away from penis surgery.

Marcus wasn't happy with the size of his penis, so he had an operation with hopes of being "gorilla-sized". But today, his King-Kong dream is a shriveled-up nightmare.

First of all, his penis is so ugly, it looks like a football. And secondly, he lost total sensation in his penis and is not able to get an erection no matter how hard he tries.

He ruined his life. His girlfriend left him, and he is unable to keep new women because of his problem. And just the sight of his penis is enough to make you have newfound love for your penis, even if it is 4-inches long.

Lets pretend Marcus's surgery went well... it still cost several thousands of dollars, he had to go to the hospital and take off work. And just the thought of someone going near my johnson with a knife is enough to turn my stomach.

Longitude VS. Knockoff Pill Scams

As with any great product, greedy scam-artists will knock it off.

Longitude has documented growth of up to 3-inches. Some of our knockoffs go as far as copying our ads almost word-for-word, then simply inflate our claims of 3-inches to 5 or 6 inches. Is their scam pill really going to DOUBLE the size of your penis? I don't think so. They'll say anything to fool you.

A copycat product will never perform as well as the original. Longitude capsules are formulated in our 47,000 sq. ft. lab that is one of only 20 in the US that has been approved by the NNFA (National Nutritional Food Association) to comply with rigorous GMP standards. (Good Manufacturing Practices). This ensures your capsules will never contain rodent feces, crushed roaches, or things even worse.

Who knows where and how other's capsules are being created? *In a garage?* Knockoffs haven't been known to worry much about quality control. Sure, you may be able to save a few dollars purchasing a fake... but remember, you have to swallow it!

Plus, we employ over 100 Nutritional Experts to answer any of your questions. With these knockoffs, you're lucky to get a live operator, let alone someone who knows anything about nutrition. Save yourself time and get the results you're after, buy the real thing.

It's your choice... Pumps... Weights... Surgery... Knockoff Scams... or the Original Longitude Capsules... Read my ad on the next 3 pages and call us. Longitude is the only product that will make your penis so long, you won't believe its yours- GUARANTEED by over 1 Million Men every year!

67% of Women Say They're *UNHAPPY* With The Size Of Their Lover's Penis...

Muscles, Money, and Looks help, but women want a "bigger" man.

The Average Penis Size Is Just 6 Inches... But Who Wants To Be "Just Average"?

Herbal Science Breakthrough!

World-Famous Pharmacist Creates *Revolutionary* Herbal Pill That Is Guaranteed To Increase Your Penis Size By 1"... 2"... 3"... or more in just a few short weeks! *(with absolutely no adverse side-effects)*

Dear Fellow Man...

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me... I'll make it worth your while to change your mind. Let me explain.

I'm the President of what I believe is, the most advanced Herbal Nutrition Company in the United States. Over the past few years, my company created some incredible, breakthrough products... but this one has been our most successful by far!

Our latest and most *controversial* product is called LONGitude and by simply taking 2 LONGitude capsules every day... it will make your penis grow in both length and thickness by a whopping 26%.

Sounds impossible? Of course it does... but 96% of the men who try LONGitude have great success, growing 1"... 2"... 3"... and more. I myself gained 2 1/8" in just 8 short weeks on LONGitude. I am extremely pleased with this product's performance.

I'm a single guy... so I do date quite often and let me tell you man-to-man... NOTHING, and I mean NOTHING beats the look on my lover's face as she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of fear in her eyes. I can't describe how confident a bigger penis makes me feel!

You Don't Believe Me... Right?

I don't blame you for being skeptical of LONGitude... hell, even when my research team told me they had finally got it right after 3 years of research and testing, I didn't believe it. That's why I tried LONGitude personally.

Let Me Explain How LONGitude Works... It'll Help Convince You...

Your penis has three chambers... 2 large ones on top which are your erectile tissue and one smaller one on the bottom which you urinate and ejaculate from. And...

(next page please...)

When you get an erection, your brain releases a hormone which sends blood to your penis, filling your erectile tissue. The blood cavities in your erectile tissue fill to the maximum, giving you an erection.

Here's What You Can Expect To Happen Taking LONGitude:

Week 1-3: Your penis will experience greater and longer lasting erections and a noticeable increase in thickness.

Week 4-8: Your penis will have grown in length and will possess much more thickness in both- erect and flaccid states.

Week 9+: Your penis will have taken on a new body, not just longer and thicker, but much harder and healthier.

Now get this... the maximum your erectile tissue can fill with blood creates the size your erect penis presently is. But here's the breakthrough we've discovered... Your erectile tissue can be developed much larger and stronger than it is with our product LONGitude.

Simply put... your penis is EXTREMELY unfit and smaller than what it could be if your erectile tissue chambers were larger (holding more blood). LONGitude will go to work on these chambers - increasing their size in both length and width... to hold more blood... getting you a few extra inches you wish you were born with.

After just a few days on LONGitude, you will start to see and feel much difference in the way your penis hangs and feels when erect.

LONGitude will also promote increased sensitivity... getting you more "feelings" during intercourse, enabling you to achieve ROCK HARD erections ANY time you desire.

LONGitude will give you a more muscular look, surely standing apart from other penis... A penis your lover will remember for the rest of her life!

100% Natural & Safe LONGitude Will:

- ***Strengthen and harden your erections like a length of STEEL PIPE!***
- Develop your PC Muscle to form a truly "muscular" looking penis that will impress and arouse your lover. I guarantee they'll brag to their friends.
- ***Enlarge your penis 1-4" or more AT HOME, without vacuum pumps, weights, or surgery.***
- Intensify your orgasms.
- ***Achieve more powerful thrusting ability.***
- Last as long as you want without drugs.
- ***Achieve ROCK HARD erections any time you want... your lover won't believe it!***
- Safely and Permanently enhance your penis size, strength, and ability without expensive and dangerous pumps, weights, drugs, or surgery.
- ***And much, much more!***

When you feel you are at your peak performance level in penis size and mass... you'll have a new found confidence... knowing you can please any woman more than any other man could - no matter how hard he tried!

It's pretty simple to understand... the size of your erectile tissue chambers is what limits your penis to the size it is now. LONGitude painlessly makes these chambers longer and wider, holding more blood... making your penis several inches longer.

90% Of Men Have A 6" Penis... That's The Average Size LONGitude is made for men that are NOT HAPPY WITH AVERAGE!

You don't want to make an average income... live in an average home... drive an average car... why settle for an average penis... especially since it is inexpensive and safe to have some serious machinery between your legs.

Try LONGitude without risk... here's how:

A One-Month supply of LONGitude (60 capsules) costs just $59.95 plus shipping. Get yourself a bottle right now by calling 1-800-518-3492 with your credit card, 24 hours a day - 7 days a week. We'll rush you off a bottle of LONGitude... try them as recommended- just 2 easy-to-swallow capsules per day.

You're Guaranteed To See An Increase Of ONE FULL INCH in 30-Days Or You Pay NOTHING!

If after trying LONGitude for 30-days, you do not experience a FULL INCH in length and a noticeable increase in thickness, simply send the bottle back to us and we'll refund 100% of your money - even the shipping fees you've incurred! No questions asked!

How Can We Be So Generous?

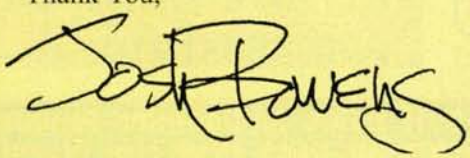
Easy- with a 96% success rate... we're more than confident it'll work for you... with amazing results that almost defy belief! Think about it... standing in the mirror with a penis 1"... 2"... 3" larger... or more. That would be something, wouldn't it?

You bet it would. And with our 30-Day NO GROW-NO PAY guarantee, where *we'll even refund your shipping cost*... you have absolutely nothing to lose!

I know you may still be skeptical... but all I want you to do is "try" LONGitude... I won't consider this purchase binding until after 30-days. Can it really work for you? You'll never know unless you give it a try. Look- pass up on this offer and 30-days from now, you'll simply be a month older with the same penis you have now... or you can be on enjoying a new life as thousands of other men are... many inches longer. **You decide**.

And by the way... LONGitude will be *discreetly* billed to your credit card under CP DIRECT and it is shipped in a plain box, with only our return address on the label.

Thank You,



Josh Bowens

LONGitude risk-free for one month

PS: In a recent survey conducted by Durex Condoms, 67% of women said that they are unhappy with the size of their lover's penis. Proof that size does matter! A larger penis has much more surface area and is capable of stimulating more nerve endings, providing more pleasure for you and your partner. A man endowed with a 7" or 8" penis is simply better *"equipped"* than a man with a 5" or 6" penis. Would you rather have more than enough to get the job done... or fall short. It's totally up to you.

PPS: A special bonus if you are one of the first 250 men to try LONGitude risk-free... You'll receive FREE membership into our Preferred Customer Club where you'll receive a $20 discount off every future bottle of LONGitude. In addition, so you do not go a day without our capsules, you'll automatically receive a new 30-day supply every month and we'll bill you just $39.95, plus shipping - that's $20 OFF the retail price. Trust me- after a week on LONGitude you will not want to live a day without this product until you reach your optimum length. Once you reach your optimum length in about 3 months, call us and we'll stop sending automatic shipments. There is no minimum amount of bottles to buy and you can cancel shipments at any time. And if you take us up on our 30-day money back guarantee, your credit card will never be billed again.

PPPS: This breakthrough product will make your penis grow, and grow until you decide it's the perfect size. When it reaches it's optimum size, stop taking LONGitude. You do not have to take LONGitude ever again- the results are permanent. Most users stop taking LONGitude once they reached 8" to 9" (about 12 weeks). It is not advised to go past the 9" limit for the simple fact that you'll be too big for many women.

Here's Some Of The Most Common Questions New Users Have:

What Is LONGitude?
LONGitude is a 100% safe and natural formula that is guaranteed to increase penis size by an average of 26%.

How Does LONGitude Work?
LONGitude permanently enlarges your two erectile tissue chambers in your penis to hold more blood during an erection... thus, making your penis much, much larger in size.

Are Their Any Negative Side-Effects?
Absolutely zero. A positive side-effect is that you'll be more sensitive, enjoying intercourse more.

How Do I Take LONGitude?
Simply take 2 easy to swallow capsules every day.

How Long Can I Expect My Penis To Get?
Measure yourself during full erection and add 26% - that is the average size increase. LONGitude will continue to work the longer you use it.

How Long Will It Take To Work?
LONGitude will start working instantly, making your penis thicker and erect more often. Length growth starts a few weeks later and the total process usually takes 12 weeks.

How Long Should I Take LONGitude?
Take it until you get to 8" or 9". After you get to this size, we advise you stop taking it. Any longer of a penis would be too large for most women to handle.

What Are The Ingredients of LONGitude?
LONGitude is a proprietary blend of the following 100% safe and natural ingredients: Zinc, 300 Yohimbe, Maca, Catuaba, Muira Pauma, Oyster Meat, L-Arginne, Oat Straw, Nettle Leaf, Cayenne, Pumpkin Seed, Sarsaparilla, Orchic Substance, Licorice Root, Astragalus, Tribulus, Boron, and Ginseng.

DOCTOR DISCOVERS PILL TO ENLARGE YOUR PENIS!

PRO+PLUS PILLS WILL WORK FOR YOU!
WE OFFER A 100% MONEY BACK GUARANTEE!!

No Pumps, Exercises or Prescription!
Doctor Approved Pill Will Enlarge Your Penis up to 4 Inches!

You Will Have These Penis Gains In A Few Weeks!

Just imagine when your sex partner sees how thick and long and hard you are. How about when men will gasp with envy the first time they see the new you in a locker room, shower or gym. Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpa cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues. But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis. Without any effort on you part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 4 inches in what has been described as a miracle. **You can make that miracle happen.** You can have the penis size you always dreamed of with the PRO+PLUS PILL and we GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if your not satisfied with an average or less then average size penis, the PRO+PLUS PILLS will help you grow up to 4 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections. Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis wil 'hang' longer and thicker. After the third month when you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger then you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

WHAT EXACTLY IS THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WHAT WILL THE PRO+PLUS PILLS DO FOR ME?

- A longer, thicker penis. Penis Enlargement up to 4 inches or more
- A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- Erections when you want them. Rock hard erections every time. No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- Stronger and more intense orgasms
- Stop premature ejaculations
- Safely enhance the size of your penis.

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS for Penis Enlargement. We say you could stop taking the PRO+PLUS PILLS because it is not necessary to be larger then 9 or 10 inches. Most women can only comfortably accommodate a 9 or 10 inch penis. Anything larger then that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

DUAL ACTION EXCLUSIVE FEATURES!

Penis Enlargement and Continued Sexual Health!

Take PRO+PILLS first for Penis Enlargement to reach your optimum size. After that continue taking only one PRO+PILL daily to improve your sexual health, feel younger, increase sexual desire, gain more stamina and greater sexual pleasure. You can also take 2 PRO+PLUS PILLS before sex for the strongest, hardest erection you will ever have.

OUR OTHER SCIENTIFIC MIRACLE PILL!

PEARL+PLUS PILLS are guaranteed to sexually stimulate women of all ages. For increased blood flow, sexual enjoyment and intensify orgasms. Sexual sensitivity is produced by blood flow into the clitoris, labia and vagina. Only $60.00 or FREE WITH ANY ORDER OF 3 OR MORE BOTTLES OF PRO+PLUS PILLS.

"This pill really works. I am now a harder 9 inches, which makes me feel good about myself. Besides wanting to be bigger, I always got soft to soon. Now that doesn't happen anymore. I'm hard like a rock from start to finish. I don't stop until she says 'you are terrific' and cums right along with me." -JS, Ohio

Fur Freaks Favor Fuzzy Females

by Henry Baum

Illustration by Geoffrey Grahn

Frank is sitting on an airplane reading a magazine when the woman whose seat assignment is next to his arrives. As she stretches to place her suitcase into the overhead compartment, Frank catches a glimpse, and a whiff, of her abundant underarm hair. *Even better, her shirt lifts up to reveal a furry "treasure trail" that runs up to her bellybutton from her pubic region. Frank can't believe his luck. If her stomach is that heavily pelted, Frank ruminates, just imagine her pubes.*

The fellow traveler notices Frank eyeing her hairy abdomen and becomes embarrassed. Frank knows what she is thinking because he has met others like her: She is ashamed of all that hair and feels like a freak.

When the woman sits down next to Frank, she quickly throws her arms to her sides in an attempt to conceal her hairy pits, but up close, Frank can see that her forearms and biceps are also decorated with dark, wispy hair, and her upper lip is topped by a mustache similar to the one Frank had when he was 16 years old. Frank's skin flushes with arousal, and he decides to take a chance.

"I like your hair," he says. "I think hairy arms, underarms, thighs, calves and even hairy stomachs are extremely sexy."

The furry flier is shocked yet pleased. She's never met anyone like Frank—she didn't even know his kind existed. Grateful for the positive attention, she gives her new admirer a treat; turning so no one else on the plane can see, the woman pulls down the front of her sweatpants to reveal an unbelievable mound of black pubic hair overflowing from the top of her panties.

No longer able to control his hard-on, Frank grabs his seatmate by one of her fur-covered arms and asks her to follow him into the airplane's lavatory. Here, Frank buries his face deep into his new friend's brambly nether regions. With all of that hair, he can barely find her vagina, but he doesn't care; he is in his own personal Garden of Eden.

* * *

Although women today are shaving their twats in record numbers, presumably to please men who enjoy little or no pubic hair, there is a minority of guys who strongly prefer hairy women. While these nature lovers appreciate razor-shunning chicks who have allowed huge bushes to flourish between their thighs, they truly lust after ladies who are furry all over—legs, forearms, upper lips, backs, chests, stomachs, underarms, nipples and buttocks.

These women are *hirsute*—a medical term used to describe the excessive presence of hair in areas that are normally not hairy. Hirsutism can be caused by birth-control pills, hormone imbalance or mere genetics.

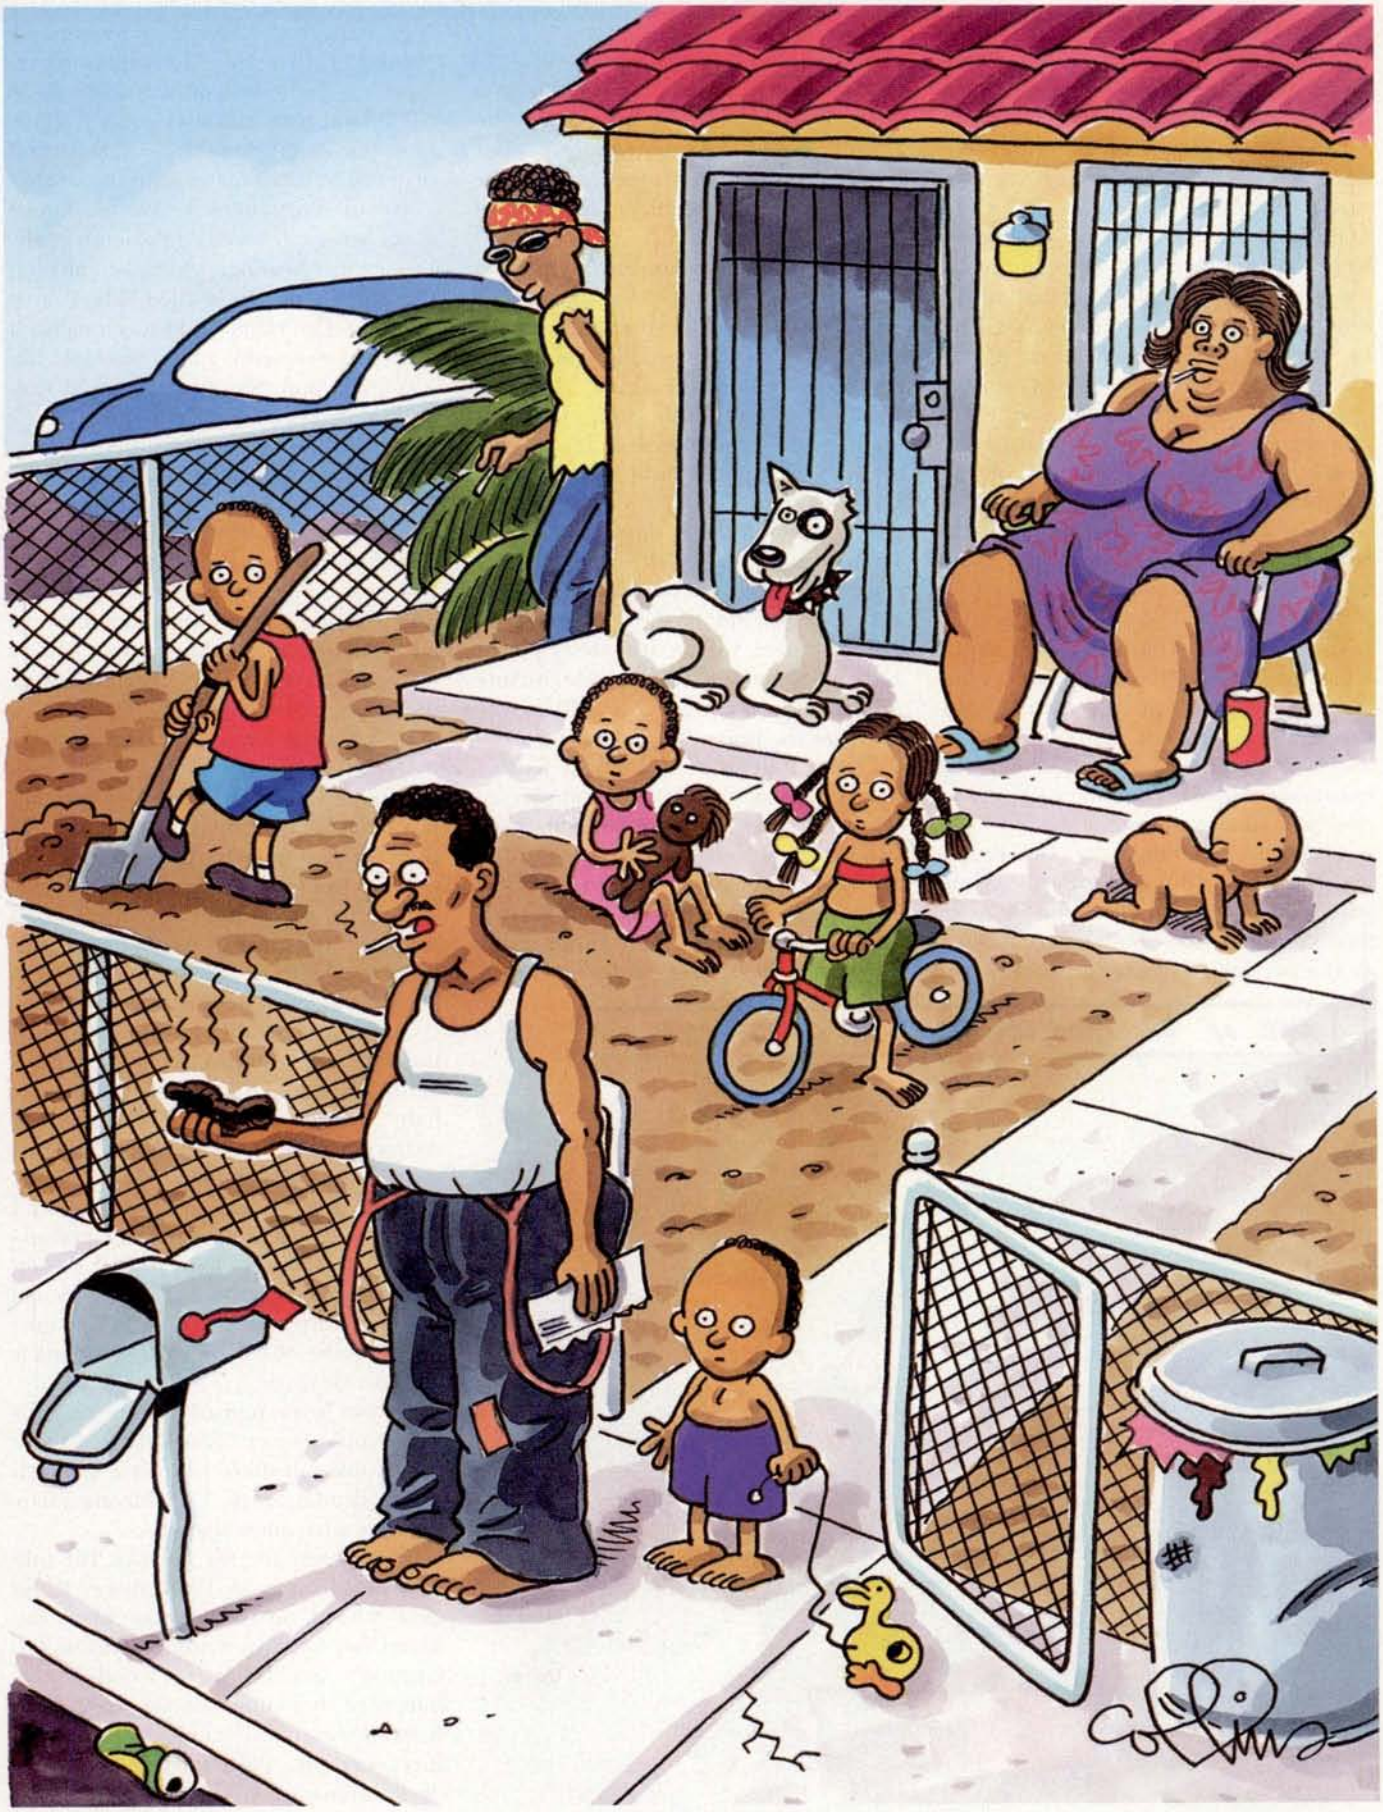
"A thick forest is more mysterious and interesting than an open field," says Patrick, a 38-year-old hair fanatic from Westchester, New York. "Seeing very thick hair is a major turn-on."

Hair fans resent women who trim their quims the same way tit lovers detest breast-reduction surgery. "I am not interested in young girls. I am interested in full-grown women," Patrick says.

Tristan Scott, a fuzz buff from Canada, agrees. "I am very turned off by a woman without a bush; it makes her look like a five-year-old with breasts."

Many hair fetishists (whose kink is sometimes referred to as *hirsutophilia* or *trichophilia*) are first drawn to the obsession when they accidentally view their female relatives nude and find themselves simultaneously surprised and aroused by their kinfolk's fleece. Thereafter, they associate hair with erotic feelings. "I believe this whole fetish started when I was young and saw the usual snippets of my mother or grandmother naked in an accidental bathroom walk-in," says Don, a hair lover in his 50s. "I was impressed with the maturity of their bodies."

Other fur enthusiasts equate hairiness with rebellion. Unlike in Europe, where women freely expose their unshaven pits, American society frowns upon female underarm thatches. While hirsute fetishists exist in Europe, they



"Our income-tax rebate from George Bush came."

"Armpit hair looks like antennas, sending out the natural female scent and beckoning me to come close and smell and taste it."

are most common in America, where unshaven women are a rarity. "I like women with hairy legs and pubic areas because it suggests that they are very intelligent and carefree, not giving in to society," explains Tristan.

Stefanie Ellis, a 23-year-old stripper, let her armpit hair grow freely until she was forced by workplace regulations to remove it. "When I used to lie naked on my boyfriend's bed with my arms up, he would get immediately turned-on, not even looking at the rest of my body. He used to always compliment me on the light-brown color and softness of my armpit hair. Then I got my job, and I had to shave. I've always wanted to go back. Shaving is like admitting that your body has whole parts that are useless and ugly."

"I like the smell of a woman's armpit sweat," admits a hair zealot from Holland. "And when there is hair in the pits, it seems to magnify the smell. With raised arms, armpit hair looks like antennas, sending out the natural female scent and beckoning me to come close and smell and taste it."

Clinically speaking, the Dutchman may be right. Pheromones in sweat attract members of the opposite sex; most contemporary women are shaving away something that once furthered the survival of the human race.

"We have hair for a reason," says a New York City-based physician who wishes to remain anonymous. "Hair provides insulation, protection from the elements, even camouflage. Nothing on our bodies is arbitrary."

Barry Thomas, who distributes hair-care products and provides information on hair removal, has an entirely different attitude toward woolly chicks and the men who pursue them. "I mean, what is one of the main things that separates women from men? It's hair. I think guys who are into hairy women are all closet queers."

Professional bias notwithstanding, Thomas might not be all wrong, according to Dr. Wallace Anderson, a New York City sex therapist. "Hair is masculine; so it gives women a sense of power and aggression. On the flip side, hirsute women are also imperfect, and so the male has the power. Fetishes are tricky."

"First, I don't consider it a fetish," counters Pam Winter, the founder of *Hair to Stay* magazine and Web site (hairtostay.com), who has become the guru of the hair-fetish scene. "Liking women with body hair is normal. Liking a woman who shaves her entire body is pedophilic." The self-proclaimed "leader of the hirsute-acceptance movement" is on a one-woman crusade to battle anti-hair attitudes while, at the same time, providing quality jackoff material to fuzz fans around the world.

Being hairy herself, Winter knows about being ostracized. "In seventh grade, I remember hearing giggling behind me," she writes in an article titled "The Pain of Growing Up Hairy." "The comments I heard were something like, 'She looks like a monkey' and 'She ain't human.' I realized they were talking about me."

Hair to Stay serves as a support group for both hairy women and their fans. Thanks to Winter's efforts, hair freaks realize that they are not alone. *Hair to Stay* magazine began with a run of only 500 issues. Five years later, the distribution is 20 times that. "I placed a personal ad seeking a man who wanted a hairy woman," says Winter, "and in three months received over 1,800 responses, and I knew there was a market out there."

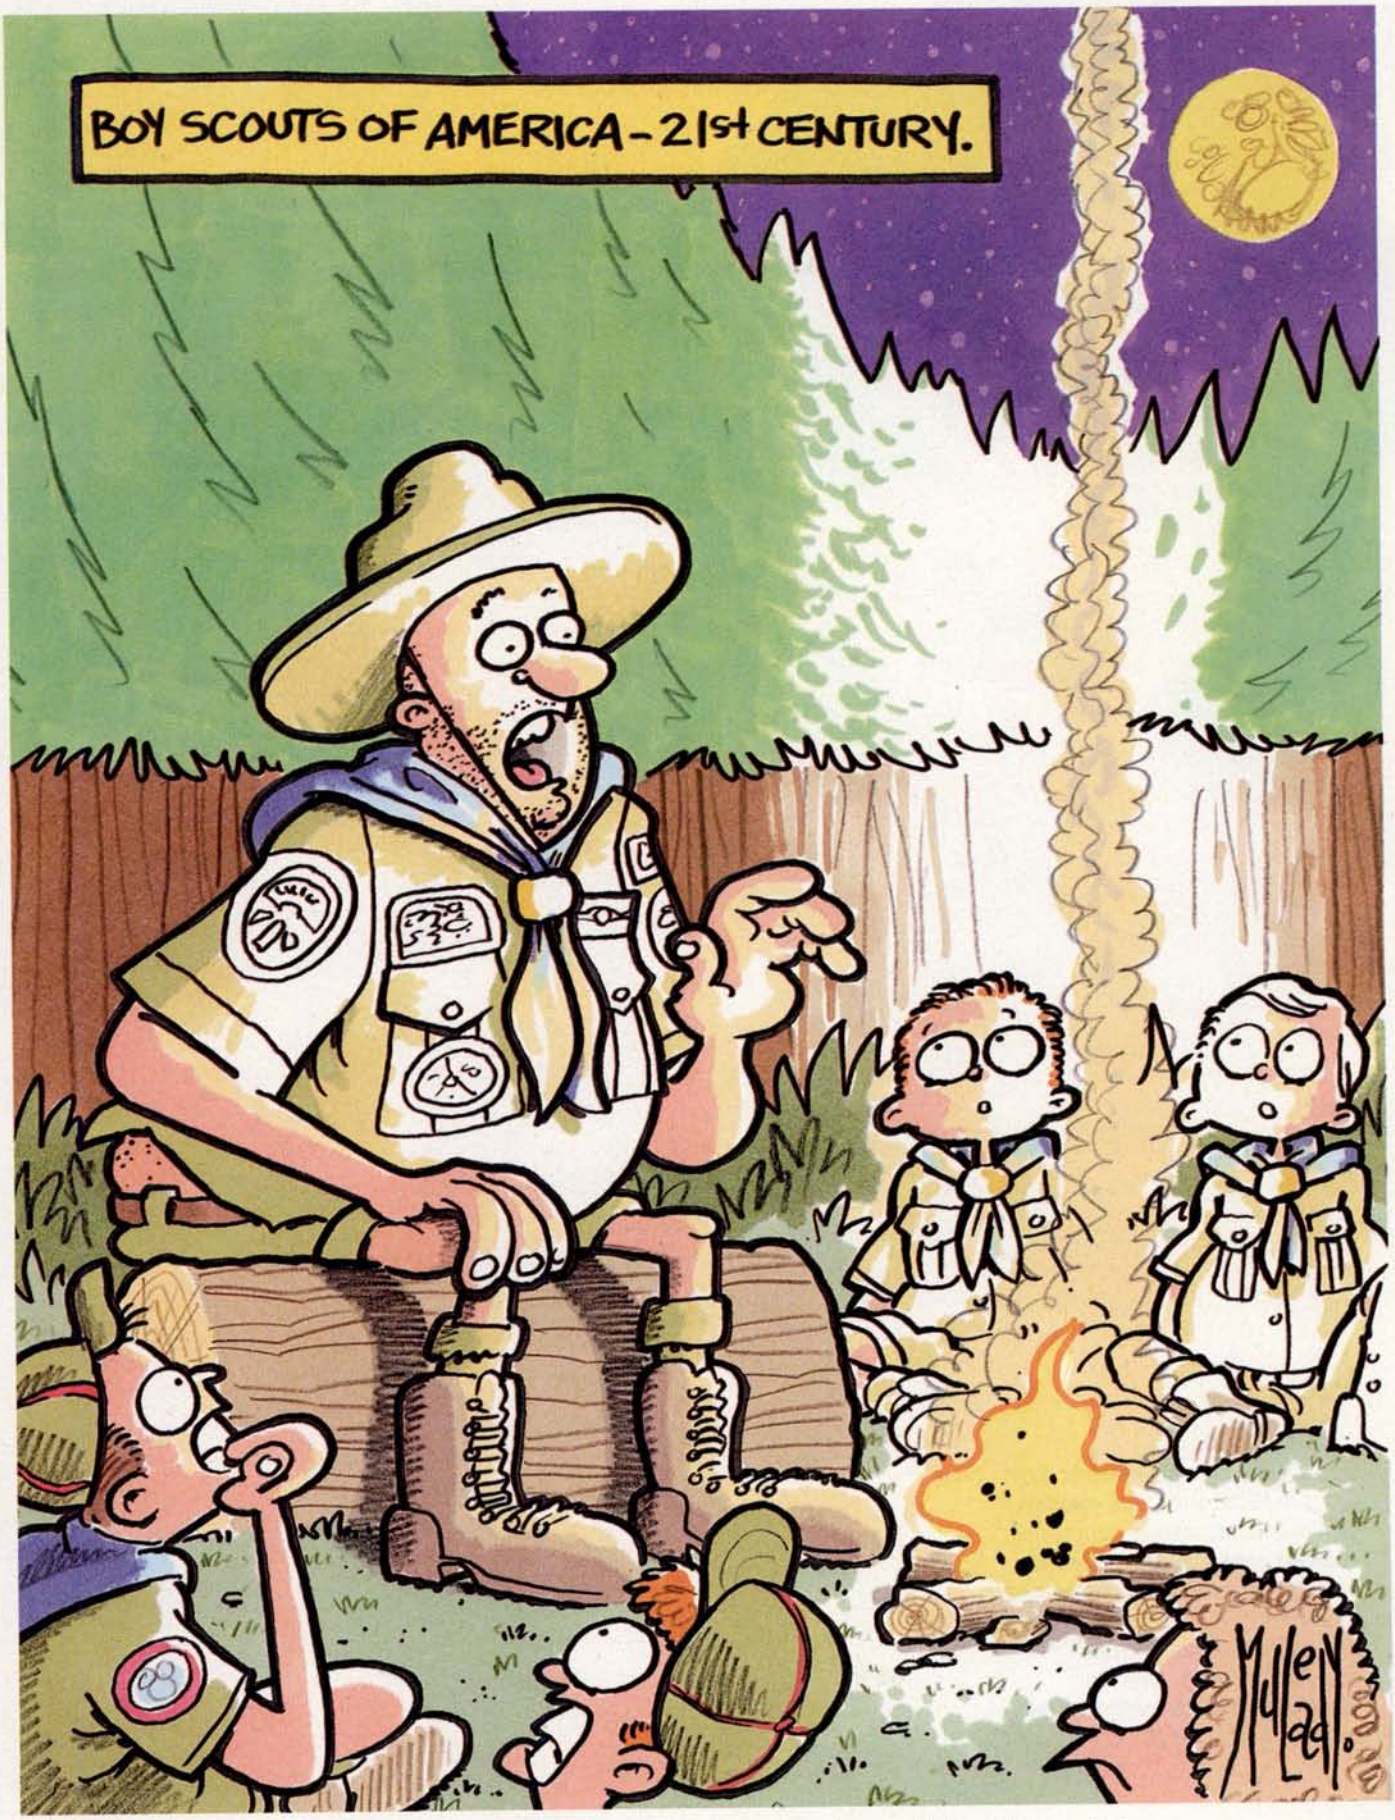
Today there are hundreds of Web sites and videos that cater to hirsute-porn fans. "Currently, hair-related fetish titles are second only to pee-related titles in fetish sales," says Mike Barry, director of adult operations at Adult DVD Empire. According to Barry, this emerging kink is already responsible for 10 to 20% of the fetish market.

Some hair freaks don't even care if the locks are connected to a human being. "I started hunting for girls' pubic hair," confesses Javen McDaniels. "I didn't find them very often but, when I did, I would put them in a small plastic baggie. After I saved up a few, I would eat them or chew them while I masturbated." McDaniels's fondness for disembodied curls comes with a high personal price; shortly after learning of her husband's pube obsession, Mrs. McDaniels filed for divorce.

A hair lover named Buddy defends his preoccupation. "Knowing that there are people out there who have sex with live or dead animals, I see having a hair fetish as a harmless sexual act."

Fortunately for fur fanatics, the tide may be turning. In 1998, singer Paula Cole stirred up controversy when she bared her unshaven underarms at the Grammy Awards. At the London premiere of her film *Notting Hill*, Julia Roberts waved to the crowd, revealing a furry armpit. With such high-profile declarations of fuzz-friendliness, perhaps the stigma attached to female body hair will also be lifted.

"Yep, it's sperm on the keyboard.... Would that be the kid or you, pops?"



"Forced to please every throbbing black cock in the prison shower with his tight poop chute, Paul quickly relied on his scout training, and relaxed his sphincter muscles...."

Sophisticated Ursulla requires three cocks to fill her void. ***"I'm spoiled,"*** *confides the diminutive debutante.* ***"I need cock down my throat and up my fuckholes or I'm not satisfied."*** *The tight, trust-fund brat crams her twat with two fingers, then three, then four.* ***"Drill my ass, dammit; I've got money to pay for it."***

Coming Next Month in HUSTLER

New Year's Balling

Nurse your first hangover of the year with revitalizing doses of pink in HUSTLER's January issue. A futuristic techno-slit spreads her chocolate cooch to give readers a glimpse of things to come. Two corseted dykes battle for dominance with an arsenal of vibrators in a dripping display of blond ambition. A chestnut-tressed heiress invites readers inside her estate to watch her soak her favorite orange couch with girl juice. A biker on the lam takes a quick time-out to ass-fuck a tanned tramp and douse her with his grease gun. The January 2002 HUSTLER packs enough pussy to last until 2003.

Jeepers Peepers

A surprising number of peep shows in America feature behavior such as urethra stretching, dildo-fucking and cum-licking. What distinguishes these acts from other sex shows is that they are performed by paying customers in the jackoff booths for dancing girls who are ever more thankful for the glass partition that separates them from their clientele. In January's *Sex Play*, correspondent Jack Schack raises the curtain on peep-show fans who are compelled to put on an exhibition for bewildered strippers. From burning pubic hair to Little Bo Peep costumes, learn the stories of these audience participants and the reactions of the women they deeply disturb.

Plainclothes Naked

Two crack-addicted thugs torment the inhabitants of an old-age home while searching for a mysterious envelope. When one hood dangles his own mother from a fourth-story window, things turn matricidal in this excerpt from celebrated writer Jerry Stahl's latest novel, *Plainclothes Naked*. The author of *Perv* and *Permanent Midnight* (which was made into an acclaimed film) turns the detective novel upside down with his tale of a self-loathing ex-junkie private eye, a sexy nurse who offs her husband and two unhinged goons trailing an incriminating photograph of President George W. Bush. Don't miss January's outstanding new fiction, exclusively in HUSTLER.

Rude Resolutions

Vow to never again waste money on lame porn, thanks to the incorruptible reviews of *Erotic Entertainment*. Play spin the bottle with *Bits & Pieces* as anal maniacs chug Derriere sparkling water. HUSTLER's demented cartoonists ruin another year for the censors with a vile collection of brand-new pictorial atrocities. Celebrate new beginnings as eager amateurs strip and split for *Beaver Hunt*. Ring in the cooze with HUSTLER's January issue and make sure that 2002 gets off with a bang.

January 2002 HUSTLER on sale November 30.
